

## Bear River Recreation & Park District

Date: April 26, 2022

Nevada County Board of Supervisors  
Eric Rood Administrative Center  
950 Maidu Avenue  
Nevada City, CA 95959

Honorable Board of Supervisors:

On behalf of the Bear River Recreation & Park District, I am writing to request your assistance in filling vacant positions on the Park District Board.

Currently, our Board consists of two active members, and we believe that we lack the necessary quorum to make an appointment of our own. In the District's current state, our Board is unable to conduct business.

Bear River Recreation & Parks District serves a critical need for organized recreation in the South County and is fortunate to have recruited two candidates to fill our vacant board seats. We hope that you will consider these applicants at your meeting on May 10, 2022 and help us continue our service to the community.

If you need further information and/or can provide us with technical support on this matter, it is best to contact me via at [manager@brrpd.org](mailto:manager@brrpd.org).

Thank you.

General Manager
