The County will provide equity adjustments effective the first full pay period of each fiscal year in the percentage amounts specified on Attachment A, Senior Executive Equity Adjustments.

C. PAY-FOR-PERFORMANCE

The County Executive Officer shall establish and maintain a system of performance measurements and goal setting in order to evaluate Senior Executive eligibility for pay-for-performance salary differentials. Although a Senior Executive's anniversary date shall remain intact on an annual basis, Senior Executives are eligible to receive salary adjustments at any time during the year based upon demonstrating superior performance in meeting the County Executive Officer's established goals and objectives. The County Executive Officer

Therefore, departments participating in such a program shall continue to use the transportation and travel account in their usual manner.

E.3 ELIGIBILITY OF EMPLOYEES FOR TUITION PAYMENT/ REIMBURSEMENT

Regular full-time employees performing their jobs satisfactorily are eligible for payment of or reimbursement of tuition at the sole discretion of the County, as determined annually by the Board or its designee subsequent to adoption of the County operating budget.

E.4 NATURE OF PAYMENT/REIMBURSEMENT

The nature of payment/reimbursement is as follows:

- A. If the County is not reimbursed within 30 days, the employee agrees to have the registration withheld from their future County payroll vouchers.

D. Reimbursement shall be made to the employee on the completion of the course with a minimum final grade of C or its equivalent in an undergraduate course, or B or its equivalent in a graduate level course. For courses that do not give letter grades, proof of completion or passing the course is required. No reimbursement shall be made for courses that have been withdrawn from, failed or are incomplete.

E. Reimbursement received from other sources for tuition, books, registration and/or lab fees will be deducted from the cost of such expenses in determining the amount which the County will pay.

E.5 OUTLINE OF PROCEDURE FOR TUITION PAYMENT/ REIMBURSEMENT

The procedure for tuition payment/reimbursement follows these steps.

A. The employee shall apply for tuition payment/reimbursement, prior to enrollment, through normal supervisory channels on forms provided by the Human Resources Director.

B. The CEO shall either approve the application or deny it.

C. Approval for reimbursement will be contingent on employee's agreement to the terms in the "Tuition Payment/Reimbursement Program Annual CEO Application" and the "Nevada County Tuition Payment/Reimbursement/ Education Assistance Agreement" which may be amended by the County and is subject to annual review and renewal.

D. Upon approval of the type of program, Payment or Reimbursement, the appropriate documents will be completed.

The employee can then submit a reimbursement claim for any itemized expenses such as lab or book fees at that time. The receipt shall accompany the Claim Form with pertinent information including the signature of the Department Head and employee.

E.6 SUSPENSION

This program may be suspended by the Board of Supervisors at any time or when deemed necessary by the CEO. Such suspension shall not alter existing approved County agreements for tuition reimbursement.

E.7 SPECIALIZED TRAINING

Where a department head establishes that there is a need for specialized training of employees for the purpose of expanding the capabilities of the department or to keep the department current with respect to changes in the law or the field relevant to that department, with prior approval from the County Executive Officer, may enter into a contract with the candidate for specialized training. Said contract may provide for a commitment of a specified period of time, which the employee agrees to remain in County employment after the specialized training. If the employee terminates employment voluntarily within that period of time, the contract may provide for an amount either in whole or on a reducing scale over time which the employee will be required to reimburse the County for the benefits received by the employee as a result of the specialized training.

Said contract shall be submitted to the County Executive Officer for approval prior to signing by either the department head or the candidate for specialized training.

The afore stated augmentation to SDI shall be made from PLP balance and administrative leave balance, or any other leave available. Upon exhaustion of leave balances as provided herein, the employee's status shall be determined in accordance with provisions of the Personnel Code as they pertain to leaves of absence.
