## **NEVADA COUNTY BOARD OF SUPERVISORS**

### **Board Agenda Memo**

---

**MEETING DATE:** August 9, 2022

**TO:** Board of Supervisors

**FROM:** **Steve Monaghan – IGS – Airport**

**SUBJECT:** Resolution authorizing the capital asset purchase of a replacement FOD BOSS Mat in the amount of \$7,170 and amend the FY 22/23 Airport Budget (4/5 Affirmative Vote Required)

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** The capital asset purchase will be purchased from the Nevada County Airport FY 2022-23 Budget. A budget amendment has been included to move budgeted funds from the Services and Supplies category to the Capital Asset budget category in the FY 22/23 Airport Budget.

**BACKGROUND:** The Nevada County Airport has a responsibility to keep the Airport's paved aircraft movement areas free from debris that could damage aircraft and/or injure personnel. The FOD BOSS Mat is a flat mat sweeper unit that attaches to a truck hitch and is pulled along the concrete and asphalt areas throughout the airport to collect loose rocks, asphalt and concrete debris. The current unit was purchased in 2014 and has reached its useful life. The new unit is being requested as a replacement unit to obtain optimal safety for our airport users and aircraft alike.
