SCHEDULE OF SERVICES
Nevada County Behavioral Health – Crisis Stabilization Services

Nevada County Behavioral Health, hereinafter referred to as CONTRACTOR, and Sierra County, hereinafter referred to as COUNTY, agree to enter into a specific contract for the provision of services at the Nevada County Crisis Stabilization Unit (CSU).

All services provided under this contract shall be documented in accordance with Short/Doyle Medical and Managed Care requirements.

Background and Overview

Nevada County Behavioral Health has contracted with Sierra Mental Wellness Group to provide Crisis Stabilization services at the CSU. The four (4) bed CSU is located in Grass Valley, California, 70 feet from the entrance of the Emergency Department of Sierra Nevada Memorial Hospital (SNMH). The CSU is part of a crisis continuum of care for residents of Nevada County. Individuals receive crisis services, including psychotherapy, medication services, and psychiatry for up to 23 hours per client event.

County Responsibilities

COUNTY shall establish the process for placement of County clients in the CSU, which will include the County’s policies related to medical clearance, medication, discharge planning, and other services necessary for clients to be successful following discharge from the CSU. The COUNTY will develop their own policies and procedures unique to issues related to the County admissions, including transportation and the authorization of services.

1. The COUNTY may authorize CSU services, when CONTRACTOR has verified that a bed is available, for an individual whom Sierra County is taking fiscal responsibility for. Only adults, 18 years and older and who are medically cleared from a physical health provider will be considered by CONTRACTOR for CSU placement. Clients still may be at risk of needing psychiatric hospitalization, including being placed on a 5150 hold. COUNTY will ensure medical clearance by following an established protocol of the CSU for this purpose. COUNTY will send clinical (e.g., 5150, Mental Status Assessment, Medication Administration Record) and medically related information (e.g., lab work, completed Medical Clearance form, drug screen results to the CSU, and a brief history of psychiatric medication administration, including allergies or adverse reactions, if possible). The CSU staff will review this documentation and discuss with the COUNTY and sending facility any need for follow up information before deciding if an admission will be approved. The COUNTY will establish an authorization form and ensure it is completed for every client being requested acceptance at the CSU. It is understood between the parties that CONTRACTOR maintains dedicated beds at the CSU, and may only accept COUNTY clients as capacity allows. Further, it is understood and agreed between the Parties that

CONTRACTOR reserves the right to refuse admission of a COUNTY client at CONTRACTOR'S sole discretion.

2. The COUNTY shall arrange transport via ambulance or other approved transport services for individuals on a psychiatric hold from the medical facility to the CSU. The COUNTY shall arrange for voluntary clients, to be transported by other means, such as ambulance, taxi, etc. Transportation following discharge will be arranged in collaboration with the CONTRACTOR, and may include assistance via a Taxi Voucher, CONTRACTOR staff, support person or others. All transportation arrangements and costs are the responsibility of the COUNTY.
3. The COUNTY shall ensure that all prescribed medications of the client will be carried and delivered by the ambulance staff, or other COUNTY-approved transport provider, transporting the client to the CSU. Staff from the sending facility will discuss any unfilled medications with the CSU nurse ahead of time, so as to determine the urgency of filling the medication and administering it in a 23 hour window.
4. The COUNTY shall provide an identified designee for the CSU staff to provide updates, and to gain assistances with accessing necessary services for the client. Any discharges after hours will need a preliminary plan or established protocol of referrals set up ahead of time to ensure that follow up intake/linkage appointment times with Sierra County and other necessary services are available.
5. Although the COUNTY will send a client for crisis stabilization services to the CSU, some clients will continue to meet criteria for a psychiatric hold. The COUNTY will retain chief responsibility of placing 5150 clients in a psychiatric facility.
6. The COUNTY shall arrange for all clients to be discharged from the CSU within 23 hours or safely transferred to another program, including the Insight Respite Center. The CONTRACTOR shall provide any necessary medical or psychiatric treatment, given the constraints of time, insurance, and other potential pitfalls, to support such placements.

Contractor Responsibilities

1. Services rendered pursuant to this Contract shall be provided at the following location: 145 Glasson Way, Grass Valley, California 95945.
2. In accordance with State law and regulations, including CCR Title 9, Sections 1840.338 and 1840.348, the CONTRACTOR, through its Sub-Contractor – Sierra Mental Wellness Group, will offer Crisis Stabilization Services lasting less than 24 hours to address acute psychiatric and/or co-occurring (substance use/mental health) crisis episodes. The CSU will provide mental health stabilization services, which include mental health assessment, medication assessment, psychotherapy, nursing, and case management, to COUNTY referred adult

Sierra County residents. The CSU will allow individuals to receive services in the least restrictive setting. Services will promote wellness, resiliency and recovery.

3. The CONTRACTOR hereby represents and warrants that it is currently, and for the duration of this Contract shall remain, certified by Medi-Cal to provide Crisis Stabilization services.
4. All policies of CONTRACTOR and Sub-Contractor - Sierra Mental Wellness Group (SMWG), in relation to services provided by the CSU and the Crisis Team shall also apply to COUNTY's clients, including referrals to the Emergency Department (ED) at Sierra Nevada Memorial Hospital (SNMH) for psychiatric or medical emergencies beyond the scope of the CSU.
5. To the extent allowable, CONTRACTOR shall bill Medi-Cal for services and shall be entitled to all permissible reimbursement. CONTRACTOR will create an invoice and bill the COUNTY for the established hourly rate for up to 20 hours per episode.
6. The CONTRACTOR and its Subcontractor will:
 - a. Maintain the confidentiality and security of all services and records in compliance with HIPAA and HITECH, to the extent required by law.
 - b. Deliver services in compliance with all applicable provisions described under the Welfare and Institutions Code.
 - c. Comply with all applicable provisions of Title 9 of the California Code of Regulations, entitled Community Mental Health Services under the Bronzan-McCorquodale Act, commencing with Section 5600 of the Welfare and Institutions Code Division 5, entitled Community Mental Health Services, Sections 5000-5803, as amended, Local Mental Health Authority, and other applicable laws, regulations and policies governing the provisions of public Mental Health services.
 - d. Consider the client's psychiatric stability and whether the staffing and interventions available to the CSU will meet the psychiatric and behavioral health needs of any proposed Sierra County admissions. This includes whether the environment and support of the CSU specifically is adequate in managing potentially dangerous behavior.
 - e. Follow the established procedure of assessing clients throughout their stay at the CSU with regard to determining whether the client needs to be evaluated for a 5150 psychiatric hold or to be placed on an initial 5150 hold. These assessments are completed by the CSU therapist or Nevada County's contracted Sierra Mental

Wellness Group (SMWG) Crisis Team. A CSU therapist can only perform this function if they are alternately trained and have worked on the Crisis Response Team (CRT) in Nevada County. The process of rescinding 5150s will occur through the established policy of SMWG, which requires the approval of the psychiatrist on call at the CSU.

- f. Begin discharge planning for the client immediately upon client's arrival to the CSU. The discharge plan, which includes a Recovery Plan and Relapse Prevention Plan, provides a clear outline of both strategies for staying safe and linkages to services with community services. The CONTRACTOR will provide a required discharge packet of documentation (e.g., treatment summary, medications administered, diagnosis, etc.) necessary for the client to access services following discharge to another provider. CONTRACTOR shall not be responsible for the coordination of discharge or discharge planning services on behalf of COUNTY or COUNTY client upon client's discharge from the CSU.
- g. Regularly coordinate with the COUNTY's designee for providing updates on progress and planning of follow-up services.
- h. Comply with documentation standards established by Nevada County for the CSU. Records of each individual client shall include a record of services provided by the various professional personnel in sufficient detail to make possible an evaluation of services, and contain all data necessary to meet Medi-Cal and Medicare requirements. This documentation includes progress notes, assessments, medication logs, and other required documentation.
- i. Utilize the Cerner Behavioral Health Solution Electronic Health Record (EHR) System functionality that is relevant to the scope of work of this contract. This requirement includes the data collection necessary for the CONTRACTOR to meet billing and, importantly, quality assurance goals.
- j. Comply with staffing requirements that meet criteria for billing Medi-Cal certification standards per California Code of Regulations (CCR), Title 9, 1840.348. A full-time Registered Nurse (RN), Psychiatric Technician, or Licensed Vocational Nurse of the CONTRACTOR will be on site at all times beneficiaries are present. A Board Certified Psychiatrist will be on call daily for a block of 12 hours. This time will be determined by CONTRACTOR as the best time that meets the needs of the clients and staff.
