## **NEVADA COUNTY BOARD OF SUPERVISORS**

### **Board Agenda Memo**

---

**MEETING DATE:** January 10, 2023

**TO:** Board of Supervisors

**FROM:** **Steve Monaghan – IGS – Facilities Management**

**SUBJECT:** Resolution authorizing the capital asset purchase of an air conditioning unit in the amount of \$6,846 for the Eric Rood Administrative Center Board Chambers Broadcast Room and directing the Auditor-Controller to amend the Fiscal Year 2022/23 Facilities budget (4/5 Affirmative Vote Required).

**RECOMMENDATION:** Adopt the Resolution

**FUNDING:** The capital asset purchase will be purchased from the Fiscal Year 2022/23 Facilities budget. A budget amendment is included in the attached resolution. There is no impact to the General Fund.

**BACKGROUND:** The ERAC Board Chambers Broadcast Room has been operating with an aging air conditioner that cools the video and technology equipment. The model that is currently in place does not restart when the generator system engages. When the power goes out, the air conditioner that is in place needs to be manually turned back on which causes the video and technology equipment to become very hot which will lead to premature failure.

The new wall mounted air conditioning mini-split unit will be more efficient, cool more effectively and work with our power generator system to automatically turn on when the power supply changes. The unit will help to ensure that the video and technology equipment will stay protected.

**Item Initiated by:** Jay Smedley / Justin Drinkwater

**Approved by:** Steve Monaghan
