

# Community Wildfire Protection Plan

## Mutual Agreement Page

The countywide Community Wildfire Protection Plan updated in 2015-16 for Nevada County by the Fire Safe Council of Nevada County (FSCNC):

- Was collaboratively developed. Interested parties and federal land management agencies managing land in the vicinity of Nevada County have been consulted.
- This plan identifies and prioritizes areas for hazardous fuel reduction treatments and recommends the types and methods of treatment that will help protect Nevada County.
- This plan recommends measures to reduce the ignitability of structures throughout the area addressed by the plan.

The following entities mutually agree with the contents of this countywide Community Wildfire Protection Plan:
