SUBJECT: **TEMPORARY EMPLOYEE HOUSING**

During a regularly scheduled meeting on March 15, 2017, the AAC reviewed the draft language and provided feedback to the Planning Department, which was incorporated into the draft ordinance. Of particular concern was the removal of the RV from the site. Subsequent communication with the Planning Department, removal of the RV from the site has now been amended to read *“disconnected from utilities, and stored in a location that provides screening from neighboring residences and public roadways to the greatest extent possible...”*

The draft ordinance has been reviewed by the Office of the Agricultural Commissioner to ensure the draft reflects the comments of the AAC.
