INSTRUCTIONS FOR COMPLETING THIS FORM

Any acknowledgment completed in California must contain verbiage exactly as appears above in the notary section or a separate acknowledgment form must be properly completed and attached to that document. The only exception is if a document is to be recorded outside of California. In such instances, any alternative acknowledgment verbiage as may be printed on such a document so long as the verbiage does not require the notary to do something that is illegal for a notary in California (i.e. certifying the authorized capacity of the signer). Please check the document carefully for proper notarial wording and attach this form if required.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. he/she/they, is/are) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
 - ❖ Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
 - ❖ Indicate title or type of attached document, number of pages and date.
 - ❖ Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document

DEFENSE AND INDEMNIFICATION AGREEMENT

This Defense and Indemnity Agreement ("Agreement") is made and entered into between the County of Nevada, a political subdivision of the State of California ("County"), and Ananda Church of Self-Realization of Nevada County ("Applicant"), and is effective as of _____, 2017. This Agreement is made with regard to the following facts:

RECITALS

WHEREAS, Applicant is the record owner of the real property located in the unincorporated area of Nevada County at 14618 Tyler Foote Crossing Road at APNs 61-170-12, -16, -23, -32, -34; 61-180-02, -03; 61-210-04, -19, -20; 61-230-06, -08; 61-240-02, -33, -34, -35 & -36; for which the Applicant has applied for approval of a Zoning Map Amendment (Z15-001), Development Agreement (MIS16-0009), Comprehensive Master Plan (U15-002), Petition for Exception to Road Standards (MI15-005), Wetland Habitat Management Plan (MGT15-004), Oak Habitat Management Plan (MGT15-005), Steep Slopes Management Plan (MGT17-0004), and Lot Line Adjustments (LLA16-0008 and LLA16-0014) ("Project Approval"); and

WHEREAS, the Project is a land use development project or other land use decision for which a defense and indemnification agreement is required pursuant to the County's Land Use and Development Code and the conditions of the Project Approval; and,

WHEREAS, it is in the public interest for County and Applicant to enter into this Defense and Indemnification Agreement as Applicant will benefit from the County's processing of the application and the Project Approvals that may result therefrom.

NOW THEREFORE, in consideration of the processing of the application and any resulting Project Approval and the mutual promises and agreements contained herein, and in satisfaction of an express condition of the Project Approval, the Applicant hereby agrees as follows:

1. The Applicant agrees to defend, indemnify, and hold harmless the County and its agents, officers, and employees from any claim, action, or proceeding against the County or its agents, officers, or employees (collectively "County Parties") to attack, set aside, void or annul the above-referenced project approval or any of the proceedings, acts or determinations taken done or made as a result of County's processing and/or approval of the Project or, or to impose personal liability against such agents, officers, or employees based upon or arising out of the project approval. Applicant's obligation to defend and indemnify under this Agreement shall apply to any lawsuit or challenge against the County Parties alleging failure to comply with the California Environmental Quality Act or with the requirements of any other federal, state, or local laws, including but not limited to general plan and zoning requirements. Applicant's obligations under

this Agreement to defend and indemnify the County Parties shall include, but not be limited to, payment of all court costs and attorneys' fees, all litigation-related costs, all costs of any judgments or awards against the County, all settlement costs and/or any claim for private attorney general fees claimed by or awarded to any party from the County. Applicant further agrees to cooperate in good faith with County in performance of obligations as set forth in this Agreement.

2. The County shall notify the Applicant promptly of any claim, action or proceeding and cooperate fully in the defense. Upon receipt of such notification, Applicant shall assume the defense of the claim, action, or proceeding, including the employment of counsel reasonably satisfactory to the County Counsel's Office and Applicant, and the prompt payment of the attorneys' fees and costs of such counsel. In the event of a disagreement between the County and Applicant over litigation issues, County shall have the authority to control the litigation and make litigations decisions, including but not limited to, settlement or other disposition of the matter. If County reasonably determines that having common counsel would present such counsel with a conflict of interest, or if Applicant fails to promptly assume the defense of the claim, action, or proceeding or to promptly employ counsel reasonably satisfactory to County, then County may employ separate counsel to represent or defend the County, and Applicant shall pay the reasonably attorneys' fees and costs of such counsel within 30 days of receiving an itemized billing therefore. At its sole discretion, the County may participate in the defense of any such claim, action, or proceeding in good faith, either through County Counsel's Office at the Applicant's expense or through outside counsel at the County's expense; but such participation shall not relieve Applicant of his obligations under this Agreement.

3. Applicant's obligations to defend and indemnify under this Agreement shall apply whether or not there is concurrent, active, or passive negligence on the part of County Parties. Applicant's obligations under this Agreement shall be effective regardless of whether any or all Project approvals and/or actions by the County regarding the Project remain valid or are invalidated by the court.

4. Failure to promptly defend or indemnify the County is a material breach which shall entitle County to all remedies available under the law, including but not limited to specific performance and damages. Moreover, failure to defend or indemnify shall constitute grounds upon which the County decision-making body may rescind its approval(s) associated with the Project, and a waiver by Applicant of any right to proceed with the Project or any portion thereof.

5. Applicant shall be and remain personally obligated to all of the terms of this Agreement, notwithstanding any attempt to assign, delegate or otherwise transfer all of any of the rights or obligations of this Agreement, and notwithstanding a change in or transfer of ownership of the real property upon which the Project is located (or any interest therein). However, the Applicant may be released from such obligations if the Applicant obtains the County's prior written consent to such transfer, which consent shall not be unreasonably withheld.

6. All notices required under this Agreement shall be in writing and shall be deemed given as of the date of actual delivery if by personal delivery or sent by a nationally recognized overnight carrier, or three days after deposit in the United States mail, first class postage prepaid, to the addresses indicated below:
