Board Agenda Memo

MEETING DATE: October 24, 2017

TO: Board of Supervisors

FROM: Jessica Hankins, Public Works Project Manager

SUBJECT: **Resolution Authorizing Environmental Clearance for Emergency Repair of Brunswick Road at Loma Rica Drive**

RECOMMENDATION: Approve the attached Resolution.

FUNDING: The work will be funded with local road maintenance funds for Fiscal Year 2017-18, with application for reimbursement through FEMA, Cal-EMA and FHWA (Federal Highway Administration) given that the damage occurred during qualifying emergency event periods. There is no impact to the General Fund and no budget amendment is needed.

BACKGROUND: As a result of storm events in January to February 2017, damage was sustained to Brunswick Road near the intersection of Loma Rica Drive. This project consists of repairing roadside ditches, removing debris from roadside ditches and roadway shoulders, and repairing the roadway shoulder that were damaged in the storm events.

Projects undertaken by a public agency to repair or restore an existing public roadway damaged by flood or storm are exempt from the California Environmental Quality Act (CEQA), per Section 15269(d) of the Public Resource Code. A Notice of Exemption has been prepared for the work and, upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk's Office.
