### NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

---

**MEETING DATE:** October 24, 2017  
**TO:** Board of Supervisors  
**FROM:** Steve Monaghan, Chief Information Officer  
**SUBJECT:** Resolution Declaring Certain County Property as Surplus and Authorizing Transfer of a Surplus Property to the Grass Valley School District (four-fifths vote required)

---

**RECOMMENDATION:** Adopt the Resolution, by 4/5 affirmative vote

**FUNDING:** By transferring this vehicle to another public agency, the General Fund will forego the proceeds of an amount likely less than \$1,000 that would have otherwise been realized by selling the vehicle at auction.

**BACKGROUND:**

California Government Code §25365 provides that a County board of supervisors may, by four-fifths vote, transfer county-owned property to a school district, provided that the county-owned property is no longer required for County use.

The Grass Valley School District has requested a vehicle from County surplus. The vehicle is a 1995 Ford van with 173,964 miles. It was last used for County purposes by Purchasing for transporting surplus goods. Purchasing was recently able to redeploy a newer van previously used by the Sheriff for prisoner transport to meet its needs. The 1995 van is no longer required for County use.
