Dear Ms. Wilburn:

Thank you for your application to host a Mental Health Resource Fair. Your application has been approved and your library will receive an allocation in the amount of \$7,000 from the Mental Health Initiative grant. This allocation is effective immediately.

Congratulations on being among the libraries in California chosen to offer this important opportunity to raise public awareness of mental health resources in their community.

This allocation is contingent upon completion of a revised application that will include only allowable LSTA expenditures. Please work with Mental Health Initiative Project Manager Jeremy Wilson to ensure that your budget meets LSTA requirements. You can contact him at jwilson@socallibraries.org or at either of the following numbers:

Office: 916-594-9543
Cell: 530-263-8519

Please contact Diane Satchwell (dsatchwell@socallibraries.org) at Southern California Library Cooperative for the forms needed to claim your reimbursement for the Fair. Your claim paperwork needs to be filed no later than June 30, 2018.

Your application demonstrates creativity in bringing vital information to your residents. I look forward to hearing about the success of the Fair.

Respectfully yours,

Janet Coles, Assistant Bureau Chief
