## **PREAMBLE**

This MEMORANDUM OF UNDERSTANDING, hereinafter referred to as the Agreement, entered into by and between the COUNTY OF NEVADA, hereinafter referred to as the County, and the INTERNATIONAL UNION OF OPERATING ENGINEERS, STATIONARY ENGINEERS LOCAL 39, AFL-CIO, hereinafter referred to as the Union, has as its purpose the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of rates of pay, hours of work, and other conditions of employment for employees of the Professional Employees' bargaining unit.

## **ARTICLE 1 RECOGNITION**

### **A. RECOGNITION**

The County recognizes the Union as the exclusive representative of those employees within the Professional Employees' bargaining unit, for the purpose of meeting and conferring in good faith on matters within the scope of representation.

## **ARTICLE 2 UNION RIGHTS**

### **A. ACCESS TO EMPLOYEE WORK LOCATIONS**

Reasonable access to work locations shall be provided to officers and representatives of the Union on employment relations matters. Access shall be restricted so as not to interfere with official business or established safety or security requirements. Officers and representatives of the Union shall not enter a work location without the consent of the Department Head, if safety and security requirements are declared in advance. Reasonable access to work locations will be revoked if this policy is violated.

### **B. DISTRIBUTION AND POSTING OF UNION LITERATURE**

The Union may at the discretion of the Employee Relations Officer be provided a reasonable amount of space for posting organization bulletins. Union representatives may post or distribute material provided such activities do not disrupt official business and provided this material does not contain information inconsistent, incompatible, in conflict with or inimical to the interest of Nevada County or its officers or its employees. Material found to contain information prohibited will not be posted or allowed to be distributed. During assigned working hours employees shall not conduct or participate in Union business affairs, including but not limited to dues collection, meetings, and membership campaigns.

**C. NEW EMPLOYEE ORIENTATION SESSIONS**

1. County agrees to provide electronic access to Memorandums of Understandings to new employees during the employees' initial hiring period.
2. Government Code Section 3555-3559/AB 119

The County and the General Unit have met and conferred over the subject matter and topics required by California Assembly Bill 119, which enacted legislative changes mandating that local government agencies in the State of California negotiate with recognized employee associations over provision of employee information, notice of employee orientations and participation of the employee association in such a new employee orientation.

The County and the General Unit acknowledge that this agreement fully complies with and exhausts the parties' obligations to negotiate pursuant to Government Code section 3557 (as completed in Side letter dated 12/20/17). Due to the agreement, compulsory arbitration pursuant to Government Code section 3557 is waived for as long as this agreement is in place.

**Conditions**

- a. This agreement shall apply to new employees who are appointed to a classification within the bargaining unit for which Local 39 is recognized as the exclusively recognized employee organization after the date of this agreement.
- b. The Union and the County acknowledge that the monthly New Hire Orientation occurs the third Friday of the month unless otherwise notified. The Union and employer jointly recognize that the County receives notification of a new hire with much less time than ten days between acceptance of an employment offer, completion of pre-employment testing, and new hire orientation. While the County will provide advance notice required by this section, it is not required to do so if the notice period would delay orientation for a new employee. By the Monday immediately prior to the new hire orientation, the County is in receipt of the names of employees attending the new hire orientation. This information will be provided to the Union at that time, along with a confirmation of the date, time and location of the new hire orientation.
- c. The Union may elect to participate in new employee orientation and shall be allotted fifteen minutes to present information about the union and union membership. The fifteen-minute allotment will occur at the end of the new hire orientation, generally scheduled to be 11:45 to 12 noon. County representatives will not interfere with the Union's presentation.

- d. The County will provide the Union with new hire reports at the beginning of the month following the month in which the new hire was first employed, and only if a new hire becomes employed. The report shall include the following information regarding the new employee: name, job title, department, work location, work telephone number, home address, home or personal cellular telephone number, and personal email address on file with the County (new hires only.)
- e. The County shall provide the Union a list of the above information about all bargaining unit employees every 90 days (quarterly). The first issuance of this report is scheduled for January 1, 2018.
- f. The County will email current employees in the Correctional Officer I, II, and Senior classifications to advise them that the list of above information will be required to be collected and reported to the Union. The email will be sent following the execution of the side letter.
- g. The County shall not be required to furnish any of the above information for any employee who completes a County-provided form or makes a written request identifying specific items of information that the employee is electing not to share, that are not otherwise required to be provided by law.
- h. The Union shall be responsible for providing its own packets of information.
- i. The County and the Union jointly agree that provision of any information pursuant to this section shall not cause the information to become a public record.
- j. Any information provided under this section shall be safeguarded by Local 39 and shall be used exclusively by the local union for union business only. No personal information regarding employees shall be shared by the union with any third-party, including, but not limited to, vendors or affiliated organizations, other than those directly involved in representation of bargaining unit employees in labor and employment relations matters with the County.

#### **D. USE OF COUNTY FACILITIES**

- 1. Any authorized representatives of the Union shall be permitted to conduct employee meetings on matters within the scope of representation in County facilities before and after shifts and during meal periods, providing that reasonable notice be given to the Department Head or designee in advance and facilities are reserved on the same basis as required of other organizations.
- 2. The use of County equipment other than items normally used in the conduct of business meetings, such as desks, chairs, ashtrays, and blackboards, is strictly prohibited.

#### **E. TIME OFF TO MEET AND CONFER**

Employees representing the Union shall have a reasonable amount of time off without loss of compensation to attend formal meet and confer sessions. In the absence of express authorization in advance by the Employee Relations Officer, not more than three County employees shall be entitled to attend meet and confer sessions without loss of compensation. County employees shall give reasonable advance notice thereof to their immediate supervisor and the Employee Relations Officer, but in no event shall such notice be given less than one full day or shift before the meeting; except, however, that the Employee Relations Officer may at his/her discretion waive this requirement for advance notice.

#### **F. DUES CHECK OFF**

1. The Union shall have the sole and exclusive right to have membership dues deducted by the County on payroll deduction for all employees covered by this Agreement, in accordance with the procedures prescribed by the Board of Supervisors.
2. The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the dues check off authorized. When a member in good standing of the formally recognized employee organization is in a non-pay status for an entire pay period, no dues withholding will be made to cover that pay period from future earnings nor will the member deposit the amount with the County which would have been withheld if the member had been in a pay status during the period. In the case of an employee who is in a non-pay status during only part of the pay period and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other legally required deductions have priority over employee organization dues.
3. Each employee covered by this Agreement who, on the date of ratification of this Agreement, is a member of the Union, and each employee covered who voluntarily becomes a member after that date, shall maintain his/her membership in the Union during the term of this Agreement.
4. Notwithstanding the above, a member may file a notice of withdrawal from the Union during the month immediately preceding the date of expiration of this Agreement. Copies of the notice of withdrawal shall be submitted by the employee to the Human Resources Director and to the Union who shall then verify if all terms and conditions of withdrawal have been met, provided, however, that such verification shall not exceed 14 calendar days from the date of submittal by the employee.
  - a. Dues deduction shall be terminated by the Auditor-Controller only upon notification from the Human Resources Director that the terms and conditions of withdrawal have been met. A withdrawal under this section 4 does not relieve a bargaining unit employee of lawful agency shop requirements.

5. The dues check off privilege may be suspended by the County upon the occurrence of any strike, work stoppage, slow down or other job action which is sanctioned or encouraged by the Union or its officers or representatives. Such suspension may continue only for the duration of the job action.
6. Union Dues, Initiation and Agency Fees - the Employer will make a single deduction of an initiation fee from newly hired employees who choose to become Union members and deduct one month's current and periodic Union dues or Agency fees based upon a uniform dues schedule from the pay of each employee.

**G. DISCRIMINATION**

The County agrees not to discriminate against any employee for the employees' membership in, activity on behalf of or other means of lawful participation in the Union which are authorized and protected by statutory law, memorandum of understanding, County code or ordinance.

**ARTICLE 3  
SALARIES**

**A. REGULAR SALARIES**

1. The County will provide a general salary increase of 2% to all regular employees in the first full pay period of July, 2018.
2. The County will provide the following general salary increases effective the first full pay period of each fiscal year to regular employees:  
  
2.0% effective 19/20  
3.0% effective 20/21
3. The County will provide equity adjustments in the first full pay period of each of the 2018/2019, 2019/2020, and 2020/2021 fiscal years in the percentage amounts specified on Attachment A, Professional Unit Equity Adjustments.
4. The County and the Union agree to review the market for the Public Health Coordinator position following completion of the currently in progress review of the position.
5. These adjustments only apply to regular bargaining unit employees.

**B. SPECIAL ADJUSTMENTS**

1. County shall have the authority to make equity adjustments for those classifications in the Professional Unit that are unable to attract more than 5 qualified applicants willing to participate in the interview process.

## **ARTICLE 4 OVERTIME**

### **A. WORK IN EXCESS OF FORTY HOURS PER WEEK FOR NON-EXEMPT EMPLOYEES**

When work is required in excess of forty (40) hours during any workweek, the employee shall be compensated at one and one-half times the regular rate for all hours worked in excess of this amount. For purposes of application of this policy, a workweek is defined as that time interval occurring between any Saturday at midnight and the succeeding Saturday at midnight. Generally, overtime shall not accrue until an employee has exceeded forty (40) hours in a workweek as provided herein, irrespective of the number of hours worked on any single day, except as specifically provided below for work on a holiday or call back.

### **B. WORK ON A HOLIDAY**

An employee required to work on a designated holiday shall be entitled to compensation at the rate of time and one-half in addition to the regular pay which the employee will receive for not working on that day pursuant to the holiday policy.

### **C. CALL BACK**

- a. An employee who is required to physically return to work, to the worksite or another assigned work location on an overtime basis shall receive a minimum of two hours compensation at the rate of time and one-half. Except as provided below, call back does not apply where an employee is working from home or another “off-duty” location and is not required to physically respond to a work location. Employees who are required to work overtime and not physically respond to a work location are not eligible for call back but are required to record their actual time worked so that they may be properly paid for their time.

Employees who are off-duty and required to work from home between the hours of 11:00 PM and 5:00 AM shall receive a minimum of one hour of compensation at the appropriate rate of pay for “work that is required to be performed during those hours.” “Work that is required to be performed during those hours” includes a required immediate response such as email or telephone call that is beyond a “de minimus” response. De minimus responses that do not qualify for the one hour additional compensation includes reviewing or receiving a message or alarm where the employee quickly determines no response is required at that time.

- b. When the employee is required to respond to an offsite location where a county vehicle is not required, and it is more expeditious for the employee to respond directly to the worksite, an employee shall be reimbursed for roundtrip mileage at the IRS mileage reimbursement rate from their home to the worksite. Use of a personal vehicle for this purpose is subject to the prior approval of the department head or designee.

#### **D. APPLICABLE TIME WORKED**

For the purpose of computing the number of hours worked and eligibility for receipt of overtime compensation at time and one-half, the time during which an employee is excused from work because of holidays, sick leave, compensatory time off, or vacation shall be considered time worked by the employee.

#### **E. OVERTIME COMPENSATION**

Overtime worked pursuant to the above shall be compensated by:

1. Cash payment at one and one-half times the regular rate; or
2. Compensatory time off at the rate of time and one-half, in accordance with the following:
  - a. All overtime hours earned during any workweek shall be compensated by cash payment at one and one-half times the regular rate or by the granting of compensatory time off at time and one-half as determined by the department head;
  - b. Pursuant to this provision, the employee shall not accrue more than 80 hours of compensatory time off. Any employee who has accrued the herein specified maximum amount of compensatory time off shall, for all additional overtime hours earned, be compensated by cash payment at one and one-half times the regular rate.

#### **F. PAYMENT FOR COMPENSATORY TIME NOT TAKEN**

1. The appointing authority may schedule compensatory time to meet the best interests of the County. Each regular employee in the bargaining unit shall be able to accrue CTO at the department heads discretion. Employees may request to use CTO in the same manner as vacation leave. The time when CTO will be taken shall be determined by the department head who shall give consideration to factors of workload and the desires of the employees prior to making such determination. If an employee is nearing their maximum allowed accrual, the appointing authority may direct the person to take compensatory time.
2. If the appointing authority cannot schedule compensatory time off within the fiscal year in which the overtime or holiday was worked, the employee shall be paid the equivalent compensation at the end of the last full pay period within said fiscal year, except that an employee may, with department head approval, carry forward from one year to the next a maximum amount of 40 hours of compensatory time earned and unused as of the end of the last full pay period of each fiscal year. Authorization to exercise this option must be obtained from the department head and submitted to the Auditor-Controller no later than the first Monday following the last full pay period in the fiscal year. Upon submittal by an employee of proper justification, the County Executive Officer (CEO) may grant an

exception to the herein stated limitation on the amount of time which may be carried forward and/or the herein stated date for compensatory time pay off. Such exceptions shall only be granted upon a finding by the CEO that the best interests of the County will be served. The CEO's decision in these matters shall be final and binding and shall not be subject to review by any county officer or administrative or legislative body.

**G. EXEMPT EMPLOYEES**

1. All regular exempt employees shall not receive overtime compensation in any form, including but not limited to cash or compensatory time off.
2. A full-time regular exempt employee shall receive the full amount of salary specified for the pay range to which their position is assigned by appointment and the provision of this Code. When appropriate, and for increments of four (4) hours or more, leave balances shall be deducted to account for vacation leave, sick leave, PTO, PLP, administration leave or other approved leave. While a reduction in leave balances may occur, a full-time regular employee will not incur deductions in pay for anything less than a full day should leave balances be exhausted.

**ARTICLE 5  
SPECIAL ALLOWANCES**

**A. TRUCKEE DIFFERENTIAL**

In addition to the compensation enumerated in this Agreement, there shall be paid a differential of ten (10) percent of base salary payable to each regular employee who is regularly assigned to and working a minimum of 40 hours per pay period in the Truckee-Donner area of Nevada County.

**B. STANDBY TIME - ("NON EXEMPT" EMPLOYEES)**

1. Standby time shall be compensated when an employee, outside his or her normal work assignment, must (1) remain where he or she can be contacted for immediate calls for service; and (2) be reached by telephone, beeper or other device; and (3) refrain from activities which might impair his or her ability to perform assigned duty; and (4) remain within a reasonable distance of the work location.
2. Fifteen (15) consecutive hours shall be the minimum standby duty assigned each employee during the regular work week unless the time of departure from work and return to work is less than fifteen (15) hours or upon mutual agreement between the appointing authority or his/her designee and the affected employee for a shorter period of time.
3. Within that interval of time between the employee's last scheduled day of work immediately preceding his/her assigned days off until the employee returns to work on

his/her regularly assigned day, twenty-four (24) hours shall be the minimum standby duty assigned each employee unless the time of departure from work and return to work is less than twenty-four (24) hours, or upon mutual agreement between the appointing authority or his/her designee and the affected employee for a shorter period of time.

4. Employees assigned to standby duty shall receive in addition to their regular biweekly salary, \$35.00 per eight-hour shift, pro-rated for longer or shorter shifts of standby time required. In addition, an employee who is not called-back but is required to work during standby time shall be compensated at the appropriate hourly rate of pay.
5. When the employee is required to respond to an offsite location where a county vehicle is not required, and it is more expeditious for the employee to respond directly to the worksite, an employee shall be reimbursed for roundtrip mileage at the IRS mileage reimbursement rate from their home to the worksite. Use of a personal vehicle for this purpose is subject to the prior approval of the department head or designee.

**C. SHIFT DIFFERENTIAL**

Employees who are required to work 50% or more of their regular work time between 6:00 P.M. and 6:00 A.M. shall receive a shift differential of 5% of base salary.

**D. BILINGUAL PAY DIFFERENTIAL**

1. For those employees identified by the Director of Human Resources who have assigned duties involving regular use of bilingual skills, a differential of 5% of base salary shall be provided. Regular use shall be defined as using the skill a minimum twenty percent (20%) or more in the course of the employee's assigned duties. Exceptions to this requirement shall be reviewed by the Human Resources Director on a case by case basis and that determination shall be final.
2. Bilingual pay differential shall cease when the position is determined by the Human Resources Director to no longer require the bilingual skill or when the employee is assigned, transferred, promoted or demoted to a position not requiring the bilingual skill.
3. Requests to have positions considered for bilingual differential shall be submitted by the Department Head to the Human Resources Director, whose determination shall be final, and shall include:
  - a. Position proposed for designation;
  - b. Description of the bilingual duties being performed by each employee in sufficient detail to indicate the second language to be utilized, purpose, nature and frequency of use;
  - c. Location of work assignment.

4. Upon approval of the proposed designation, the Human Resources Department shall schedule the designated employee and/or applicants for bilingual examination.

#### **E. ACTING TEMPORARY PAY**

If a regular employee is temporarily assigned to an acting position in a class with a higher salary range, the employee will be eligible to receive an increase of at least 7.5% of the employee's base pay from the first date of the assignment. In certain circumstances the County Executive Officer can approve a higher differential to meet the needs of the organization. The acting assignment will not cause a change to the employee's regular employee unit or benefits. Acting assignments will be no longer than nine months in duration, unless approved by the CEO. Upon termination of the acting assignment, the employee shall be restored to his/her regular position and salary including any merit increase earned. Acting assignments shall not affect any employee's salary anniversary date. If an acting position is offered to an employee from a different department, both department heads must approve the assignment.

This section does not apply to regular employees whose positions are designated to act in the absence of the department, division or section head for time periods not to exceed fifteen (15) working days or one-hundred-twenty (120) hours, whichever comes first, of time such as a vacation or off site in an official capacity or for those employees participating in training or quality teams.

#### **F. WORK/SAFETY FOOTWEAR REIMBURSEMENT**

The County shall reimburse up to \$275 each fiscal year toward the purchase of approved work/safety footwear for each employee assigned to positions requiring such footwear. The Department Head or designee shall have the discretion to determine which footwear is approved and which positions require such footwear. If, due to extenuating circumstances, an employee has exhausted the \$ 275 and needs additional approved footwear, he or she may seek approval for additional footwear reimbursement on an as needed basis from the Department Head. The Department Head has the discretion to approve or deny such request. All work/safety footwear reimbursements are subject to the employee providing proof of purchase as required by the Department Head and County Auditor-Controller.

#### **G. TUITION REIMBURSEMENT**

1. The tuition reimbursement program is designed to assist employees in achieving their higher education degree goals such as AA/AS, BA/BS or MA/MS.
2. The following criteria shall be used in determining the eligibility of courses for tuition reimbursement.
  - a. Courses must be related to the work of the employee's position or occupation.
  - b. Courses must be taken at accredited institutions approved by the County.

- c. The employee must be in good standing with the County which includes positive performance evaluations and no disciplinary history.
  - d. Employees may only participate in one County tuition reimbursement program at a time.
3. The nature of reimbursement is as follows:
- a. Reimbursement shall be no more than \$5,000 per fiscal year.
  - b. Reimbursement shall be made for tuition, books, registration fees and laboratory fees. Expenses for parking, travel, meals and other incidental costs are not reimbursable.
  - c. Reimbursement shall be made to the employee on the completion of the course with a minimum final grade of C or its equivalent in an undergraduate course, or B or its equivalent in a graduate level course. No reimbursement shall be made for audited courses or incomplete courses.
  - d. Reimbursement received from other sources for tuition, books, registration and/or lab fees will be deducted from the cost of such expenses in determining the amount, which the County will pay.
4. The procedure for tuition reimbursement follows these steps.
- a. The employee shall apply for tuition reimbursement, prior to enrollment, through normal supervisory channels on forms provided by the Human Resources Director.
  - b. The employee's Department Head shall either recommend approval of the application or deny it. If the Department Head recommends approval, he/she shall forward the application to the County Executive Office for review and final approval or denial.
  - c. Approval for reimbursement will be contingent on employee's agreement to the terms in the "Tuition Reimbursement Program Annual CEO Application" and the "Nevada County Tuition Reimbursement/Education Assistance Agreement" which may be amended by the County and is subject to annual review and renewal.
  - d. Upon completion of an approved course(s), the employee shall obtain from the institution certification of fees paid and grade received and send certification to the Human Resources Director's Office as soon as possible. Fees paid shall be itemized on a standard Nevada County Claim Form. The receipt shall accompany

the Claim Form with pertinent information including the signature of the Department Head and employee's signature.

5. Suspension

This program may be suspended when deemed necessary by the CEO due to any serious fiscal crisis as determined by the CEO. Such suspension shall not alter existing approved County agreements for tuition reimbursement.

**ARTICLE 6  
LEAVES OF ABSENCE**

**A. LEAVE WITHOUT PAY**

1. In instances where the work will not be seriously handicapped by the temporary absence of an employee from a regular position, the Human Resources Director may grant a leave of absence for a period not to exceed four (4) months upon request of the employee and approval of the Department Head. If the leave is denied by the Human Resources Director, the Department Head may request that the matter be decided by the Board of Supervisors. Extension of the leave of absence or an initial request for a longer leave of absence may be considered upon application of the Department Head to the Human Resources Director. Any leave of absence request for a Department Head shall be forwarded by the Human Resources Director with recommendation to the Board of supervisors. All requests for leaves of absence must be in writing and must establish reasonable justification for approval of the request. A leave of absence shall not be approved for an employee who is accepting employment outside of County service.
2. Any leave of absence without pay exceeding fifteen (15) calendar days shall cause the employee's salary anniversary date to be postponed a number of calendar months equal to the number of full calendar months or major portion thereof, for which the leave of absence was taken. Sick leave and vacation/PLP shall not accrue during an unpaid leave of absence.
3. Failure of the employee to return to his/her former County position immediately following the expiration of leave shall be cause for dismissal.

**B. VACATION LEAVE**

Vacation leave shall only apply to those members of the Unit who were hired before September 1, 1998 and that have not elected to participate in the (PLP) program.

1. Regular employees assigned to the normal forty (40) hour workweek shall accrue vacation leave at the rate of ten (10) hours for each full calendar month of service during the first four (4) years of employment; at the rate of twelve (12) hours for each full

calendar month of service from the beginning of the fifth (5th) year through the tenth (10) year of employment; and at the rate of 13.3334 hours for each full calendar month of service beginning with the 11<sup>th</sup> year.

2. Employees of the County assigned to work weeks in excess of the regular forty (40) hours shall accumulate vacation leave at the equivalent to the above correlated to their regular weekly hours of work.
3. Part-time appointments to regularly authorized positions working fifty percent (50%) or more, on a monthly basis, shall accrue vacation on a pro rata basis.
4. Each regular County employee in the bargaining unit, regardless of "regular" or "probationary" status, shall be able to accrue and use vacation leave. The time when vacation shall be taken will be determined by the Department Head, who shall give consideration to factors of workload and the desires of the employees prior to making such determination and an employee with Department Head approval may:
  - a. An employee may accumulate up to, but no more than 320 hours of combined vacation credit and PTO credits at any given time during the fiscal year.
5. It shall be the responsibility of each Department Head to ensure that no employee involuntarily forfeits vacation leave accrual pursuant to application of this section, and he/she shall schedule vacation leave for each employee as necessary to comply herewith.
6. Vacation leave shall not accrue during any unpaid period of leave of absence in excess of fifteen (15) calendar days, with the exception of authorized temporary military leave of an employee who has been in the service of the County for a period of not less than one year, and who shall also accrue vacation leave for authorized temporary military leave beyond the fifteen (15) calendar days.
7. An employee who terminates or is terminated from the County shall be entitled to receive pay for earned vacation. In no case shall payment be for more than the three hundred twenty (320) hours maximum accumulation allowed. In case of death, compensation for accrued vacation leave shall be paid in the same manner as salary due the decedent is paid. The Auditor shall compute such pay in accordance with the hourly rate conversion table contained in the County Salary Plan.

#### **C. PERSONAL LEAVE PROGRAM (PLP)**

Effective with the first pay period after September 1, 1998, members of this unit may participate in the Personal Leave Program. Under the PLP, vacation and sick leave balances shall be converted to an optional personal leave program that combines the accrual of both sick leave and vacation into the following schedule:

\*Years 0 through five, 165 hours per year;

- \*Years six through ten, 192 hours per year;
- \*Years eleven plus, 200 hours per year

This provision shall not amend or in any way affect any rights given the Union by other section of the agreement to meet and confer prior to implementing any insurance benefit changes.

2. The County shall give the Union notice prior to implementation of any proposed layoff and shall consult with the Union, in good faith, regarding the effects of the said layoff. Such consultation shall not delay the effective date of the layoff unless an agreement is reached to postpone or cancel the proposed layoff.

### **B. ORDER OF LAYOFF**

Employees in the same department and within the same classification shall be laid off as follows:

1. All extra-help employees shall be laid off, in an order determined by the appointing authority, before any probationary employees.

2. All part-time probationary employees shall be laid off, in an order determined by the appointing authority, before any full-time probationary employees.
3. All full-time probationary employees shall be laid off, in an order determined by the appointing authority, before any regular employee.
4. All part-time regular employees shall be laid off, in an order determined by the appointing authority, before any regular full-time employees.
5. When it becomes necessary to reduce the force in any department by layoff of regular, full-time employees, seniority and the ability to perform the work shall be the determining factors.

For the purpose of applying this section only, performance shall be defined as annual or probationary performance evaluations submitted 90 days prior to the issuance of a layoff notice.

Layoffs shall be made by classification and by department in accordance with the following procedure and in the following order:

- a. All employees within the classification of a position which is being abolished whose most current annual or final probationary performance report was less than overall "outstanding" shall be laid off before any employee in the same classification whose performance report, as defined above, was overall "outstanding". Within this group, a less senior employee shall be laid off before an employee with more seniority.
- b. Whenever it becomes necessary to layoff employees whose performance report, as defined above, was overall "outstanding" the said layoffs shall occur in an order determined by the appointing authority, based on his/her assessment of the affected employees' overall ability and willingness to perform.
- c. Except as otherwise provided, any employee who has been displaced as a result of the application of the provisions of this section shall be permitted to exercise bumping rights into a lower classification within the same classification series and within the same department or into the last position in which the employee held regular status and within the same department from which the employee is being displaced. If an employee should elect to exercise his/her bumping rights as provided herein, then such employee shall be judged against all employees within the said lower classification in accordance with the foregoing methodology, giving proper weight to the factors of performance and seniority. Such bumping right must be exercised within ten (10) days of the date of layoff notice.

In the case of a tie in seniority pursuant to this section, such tie shall be broken by counting all time in County service.

If this method of breaking ties in seniority results in a tie, the order of layoff shall be determined by lot as drawn by Human Resources Director.

- d. Any employee bumped pursuant to (c) above, shall be permitted to exercise bumping rights into an existing lower classification within the same series and within the same department; or into the last position in which the employee held regular status and within the same department from which the employee is being displaced, where applicable.

**D. SENIORITY DEFINED**

For the purpose of applying this section only, seniority shall be defined as:

1. The total number of calendar days an employee has been employed in a regular or temporary capacity and on active pay status in the classification of the employee or group of employees subject to layoff or bumping, except that in the case of a regular employee, approved leave of absence with or without pay shall also count as time worked on active pay status. Time worked in another classification of equal or greater pay grade and within the same series shall count as time worked within the classification of the employee or group of employees subject to layoff or bumping.
2. Seniority shall not include any period during which an employee was:
  - a. On leave without pay for disciplinary reasons; or
  - b. Not actually in County employment because of his or her voluntary termination, layoff, or other cause.

3. For any employee who is re-employed after being discharged for cause or any probationary employee discharged during the probationary period, seniority shall not include any time worked prior to his or her succeeding appointment.
4. Seniority shall include any time during which an employee is on approved paid or unpaid leave of absence and receiving workers' compensation benefits for an acknowledged job-incurred injury. Such time shall be counted as time worked for purposes of determining seniority and no employee shall suffer any loss of seniority for purposes of layoff where the fact of his/her leave of absence is caused by a bona fide work-related injury.

#### **E. EMPLOYEES FORMERLY UNDER STATE MERIT SYSTEM**

When a reduction in force occurs in the Department of Social Services or Child Support Services the following provisions shall apply:

1. The names of employees who occupy a Merit position on January 30, 2016 will be contained on a list entitled "Employees in the Merit System as of January 30, 2016" which is maintained in Human Resources, updated and sent to the Union quarterly (herein referred to as "the Merit System Employee List.") The Merit System Employee List indicates Merit seniority points as of this date using Local Area Personnel Standards' section 17510; these points will be "frozen" for future seniority calculation purposes. This Merit System Employee List will be updated quarterly and provided to the Union and at other times upon request.
2. When a reduction in force occurs, seniority for employees listed on The Merit System Employee List will be determined on the following basis:
  - a. For this Section only, seniority will be defined as the total number of Merit points plus calendar days an employee has been employed after January 30, 2016 in a regular or temporary capacity and on active pay status in the classification of the employee or group of employees subject to layoff or bumping, except that in the case of a regular employee, approved leave of absence with or without pay shall also count as time worked on active pay status. Time worked in another classification of equal or greater pay grade and within the same series shall count as time worked within the classification of the employee or group of employees subject to layoff or bumping. Seniority shall not include any period during which an employee was on leave without pay for disciplinary reasons or not actually in County employment because of his or her voluntary termination, layoff or other cause; provided that for any employee who is re-employed after being discharged for cause or any probationary employee discharged during the probationary period, seniority shall not include any time worked prior to his or her succeeding appointment.
  - b. For this Section only, former Merit employees who, after January 30, 2016, transfer, promote, demote or otherwise depart from any previously defined Merit position in either Social Services or Child Support Services will have their names removed from

The Merit System Employee List unless the transfer, promotion or demotion is also to a previously defined Merit position. Seniority from the point of removal will be calculated based upon Personnel Code Section 20.1 (a) and (b) and other applicable provisions of this MOU.

- c. For this Section only, if a former Merit employee transfers or promotes to a position in the same job series, his/her name shall remain on The Merit System Employee List, however, additional “frozen” Merit points will not be added.
- d. Layoffs shall be made by classification and by department in accordance with the following procedure and in the following order:
  - i. If an employee on the Merit System Employee List has received an “outstanding” performance rating on his or her last two regularly scheduled written performance reports, twelve (12) additional “frozen” points will be added to those on The Merit System Employee List for the purpose of calculating total seniority at the time of a layoff.
  - ii. A less senior employee shall be laid off before an employee with more seniority.
  - iii. Except as otherwise provided, any employee who has been displaced as a result of the application of the provisions of this Section shall be permitted to exercise bumping rights into a lower classification within the same classification series and within the same department or within a previously held Merit classification or Merit department. If an employee should elect to exercise his/her bumping rights as provided herein, then such employee shall be judged against all within the said lower classification in accordance with the foregoing methodology. Such bumping rights must be exercised within ten (10) days of layoff notice.
  - iv. When two or more employees have the same seniority, the tie shall be broken in the following sequence: employee with the greatest seniority in the class in which the layoff is being made and in higher level classes; employee with the greatest seniority in the department of layoff; employee with the greatest seniority in the County.
  - v. If this method of breaking ties in seniority results in a tie, the order of layoff shall be determined by lot drawn by the Director of Human Resources.
  - vi. Any employee bumped pursuant to “iii” above, shall be permitted to exercise bumping rights into an existing lower classification within the same series and within the same department, where applicable, without loss of “frozen” Merit points on The Merit System Employee List.
- 2. The provisions of Article 11, B, 5, “a” and “b” will not be used for determining the layoff of an employee listed on The Merit System Employee List.

3. All other provisions of layoff and recall from layoff will be governed by the Personnel Code or this MOU, as applicable.

#### **F. NOTICE OF LAYOFF**

## **B. SEVERABILITY**

If any provision of the Agreement shall be held invalid by operation of law, or by any tribunal of competent jurisdiction or, if compliance with or enforcement of any such provision should be restrained by any said tribunal, the remainder of the Agreement shall not be affected thereby. If any portion of the Agreement is so held invalid or if compliance with any provision is restrained, the County is authorized to take immediate action to achieve compliance with law, provided that the County shall give notice to the Union prior to such action and the County shall provide the Union with an opportunity to meet and confer within thirty (30) days after any determination of invalidity or service of a restraining order, in an attempt to arrive at a mutually satisfactory replacement for such article or section.

## **C. IMPLEMENTATION**

1. The Board of Supervisors shall amend its written policy as they pertain to employees covered by this Agreement and shall take such other action by resolution or otherwise as may be necessary in order to give full force and effect to the provisions of this Agreement. The provisions of this Agreement, except as provided herein, shall supersede County ordinances and resolutions currently in effect, for the term of this Agreement, to the extent that they are inconsistent with the provisions of this Agreement. All other provisions of the Personnel Code and the previous Agreement which are not inconsistent herewith and which have not been specifically repealed hereby and which are proper subjects of the meet and confer process shall remain in force and effect as though fully set forth herein. The County reserves the right to update Personnel Code sections which govern subjects that are non-mandatory subjects of bargaining subject to meeting appropriate notice and meet and confer requirements prior to implementing any changes. Furthermore, in the event that an audit and/or review by an outside state or federal agency requires any section of the Personnel Code be changed in order to qualify for new programs and funding or to be qualified to maintain current levels of funding or services, the County has the right to implement such changes subject to meeting appropriate notice and meet and confer requirements prior to implementing any changes.
2. It shall be understood that the items agreed to herein shall not be binding upon the County until this agreement is signed by the proper representatives of both parties and ratified by the Board of Supervisors, pursuant to law. It is further understood that adoption of this Agreement signifies that all issues which were at dispute or otherwise under discussion at the bargaining table have been addressed and resolved to the satisfaction of the parties for the term of this Agreement.

## **D. DURATION**

This Agreement shall be for the period July 1, 2018 through June 30, 2021 and except as otherwise specified herein, shall become effective on the date of approval by the Board of Supervisors.
