Terms

Each term of this Contract below specifically incorporates the information set forth in the Summary at page one (1) above as to each respective section (§) therein, as the case may be.

Services

1. Scope of Services:

Contractor shall provide all of the services, materials and products (herein "Services") generally described in **Exhibit "A"**, according to a performance schedule, if applicable, as set forth in said exhibit (herein "Performance Schedule"). If requested, Contractor agrees to serve as an expert witness for County in any third party action or proceeding arising out of this Contract.

Payment

2. Charges and Payments:

The charges (herein "Charges") for furnishing the aforesaid Services under this Contract are set forth in **Exhibit "B"**, including, if applicable, hourly rates, unit pricing, and expense, mileage and cost limits. Said Charges shall be presented monthly by invoice, and shall be due within thirty (30) days of receipt of said invoice unless payment is otherwise set forth in said **Exhibit "B"**, and shall remain in effect for the entire term of this Contract, and any extension hereof. In no event will the cost to County for Services to be provided under this Contract, including direct non-salary expenses, exceed the **Maximum Contract Price** set forth at §2, page one (1), of this Contract. If a Catalog of Federal Domestic Assistance ("CFDA") number is designated at §33, page one (1), of this Contract, then all components of compensation billed to County shall be calculated in accordance with Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, 2 CFR Chapter I, Chapter II, Part 200, et al (commonly referred to as the "OMB Super Circular" or "Uniform Guidance").

Time for Performance

3. Contract Term:

This Contract shall commence on the **Contract Beginning Date** set forth at §3, page one (1), of this contract. All Services required to be provided by this Contract shall be completed and ready for acceptance no later than the **Contract Termination Date** set forth at §3, page one (1), of this Contract.

4. Liquidated Damages:

County and Contractor agree that damages to County due to delays in timely providing Services in accordance with the aforesaid Performance Schedule and Contract Termination Date are impractical and difficult to ascertain. Therefore, if §4 at page one (1) hereof shall indicate a daily amount as **Liquidated Damages**, County shall have the right to assess said daily sum, not as a penalty, but as and for damages to County due to delays in providing Services not in accordance with the said Performance Schedule, or later than the Contract Termination Date (herein "Delay"). Liquidated Damages shall be offset against amounts owing to Contractor, including retention sums.

To the extent that any Delay is a result of matters or circumstances wholly beyond the control of Contractor, County may excuse said Liquidated Damages; provided however, that County may condition such excuse upon Contractor having given prompt notice to County of such delay immediately by telephone and thereafter by written explanation within a reasonable time. The time for Contractor's performance shall be extended by the period of delay, or such other period as County may elect.

5. Time of the Essence:

Time is of the essence with respect to Contractor's performance under this Contract. Delay in meeting the time commitments contemplated herein will result in the assessment of liquidated damages, if indicated at §4 at page one (1), hereof. If Liquidated Damages are not so indicated, damages shall be as otherwise provided by law.

Insurance

6. Commercial General Liability Insurance: (County Resolution Nos. 90-674, 02-439)

If §6 at page one (1) hereof shall indicate a **Commercial General Liability** insurance policy is required, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following:

- (i) Broad form coverage for liability for death or bodily injury to a person or persons, and for property damage, combined single limit coverage, in the minimum amount indicated at said §6;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

7. Automobile Liability Insurance: (County Resolution No. 90-676)

If §7 at page one (1) hereof shall require either a Business Rated or a Commercial Automobile Liability insurance policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance evidenced by a certificate of insurance with properly executed endorsements attached, which insurance shall include the following provisions:

- (i) Liability protection for death or bodily injury to a person or persons, property damage, and uninsured and underinsured coverage, combined single limit coverage, in the minimum amount indicated at said §7;
- (ii) An endorsement naming County as an additional insured under said policy, with respect to claims or suits arising from the Services provided or the relationships created under this Contract;
- (iii) A provision that said insurance shall be primary and non-contributory, that other insurance maintained by the County of Nevada shall be excess only and that neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance available to County;
- (iv) A provision that said insurance shall provide for thirty (30) days written notice to County of any termination or change in coverage protection, or reduction in coverage limits (except ten (10) days notice for non-payment of premium).

If §7 at page one (1) hereof shall require a Personal Auto policy, for each vehicle used including non-owned and hired automobiles, Contractor shall promptly provide proof of such insurance for a minimum of three hundred thousand dollars, (\$300,000), in combined single limits, and naming the County as additionally insured.

8. Workers' Compensation: (County Resolution No. 90-674)

If §8 at page one (1) hereof shall indicate a **Workers' Compensation** insurance policy is required, Contractor shall maintain said policy as required by law, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County. The Workers' Compensation insurer shall agree to waive all rights of subrogation against the County, its agents, officers, employees, and volunteers for losses arising from work performed by Contractor for the County.

Before commencing to utilize employees in providing Services under this Contract, Contractor warrants that it will comply with the provisions of the California Labor Code, requiring Contractor to be insured for workers' compensation liability or to undertake a program of self-insurance therefor.

9. Errors and Omissions:

If §9 at page one (1) hereof shall indicate **Errors and Omissions** insurance is required, Contractor shall maintain either a professional liability or errors & omissions policy in the minimum amount indicated, and shall promptly provide proof of such insurance evidenced by a certificate of insurance, or other documentation acceptable to County.

10. Miscellaneous Insurance Provisions: (County Resolution Nos. 90-674, 90-675)

All policies of insurance required by this Contract shall remain in full force and effect throughout the life of this Contract and shall be payable on a "per occurrence" basis unless County specifically consents to "claims made" coverage. If the County does consent to "claims made" coverage and if Contractor changes insurance carriers during the term of this Contract or any extensions hereof, then

Contractor shall carry prior acts coverage. The following additional conditions apply to "claims made" coverage: In order for the acts and omissions of Contractor and all its agents during the term of this Agreement to be "continually covered" there must be insurance coverage for the entire contract period commencing on the effective date of this Agreement and ending on the date that is three (3) years beyond the final date this Agreement is effective, including any extensions or renewals of this Agreement. Contractor acknowledges that the provision of this Section may necessitate the purchase of "tail insurance" if coverage lapses. The requirement to maintain tail insurance shall survive termination of this Agreement.

Insurance afforded by the additional insured endorsement shall apply as primary and non-contributory insurance, and neither the insured nor the insurer shall seek contribution from any other insurance or self-insurance maintained by County, its officers, agents and/or employees. Any insurance or self-insurance maintained by County, its officers, agents and/or employees shall be excess only and not contributing with insurance required or provided under this agreement.

At all times, Contractor shall keep and maintain in full force and effect throughout the duration of this Contract, policies of insurance required by this Contract which policies shall be issued by companies with a Best's Rating of B+ or higher (B+, B++, A-, A, A+ or A++), or a Best's Financial Performance Rating (FPR) of 6 or higher (6, 7, 8 or 9) according to the current Best's Key Rating Guide, or shall be issued by companies approved by the County Risk Manager. In the event the Best's Rating or Best's FPR shall fall below the rating required by this paragraph, Contractor shall be required to forthwith secure alternate policies which comply with the rating required by this paragraph, or be in material breach of this Contract.

Failure to provide and maintain the insurance policies (including Best's ratings), endorsements, or certificates of insurance required by this Contract shall constitute a material breach of this agreement (herein "Material Breach"); and, in addition to any other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both. (See §13, ¶2, below, as these provisions additionally apply to subcontractors.)

11. Indemnity:

Nothing herein shall be construed as a limitation of Contractor's liability, and Contractor shall indemnify, defend and hold harmless the County and its officers, officials, employees, agents and volunteers from any and all liabilities, claims, demands, damages, losses and expenses (including, without limitation, defense costs and attorney fees of litigation) which result from the negligent act, willful misconduct, or error or omission of Contractor, except such loss or damage which was caused by the sole negligence or willful misconduct of County or its officers, officials, employees, agents and volunteers.

Contractor shall hold County harmless and indemnify County against any such claim by its agents or employees.

13. Assignment and Subcontracting:

Except as specifically provided herein, the rights, responsibilities, duties and Services to be performed under this Contract are personal to the Contractor and may not be transferred, subcontracted, or assigned without the prior written consent of County. Contractor shall not substitute nor replace any personnel for those specifically named herein or in its proposal without the prior written consent of County.

Unless otherwise agreed in writing by the County's Risk Manager, Contractor shall cause and require each transferee, subcontractor and assignee to comply with the insurance provisions set forth herein at §§6, 7, 8, 9 and 10, in the same amounts and subject to the same terms as are required of Contractor under this Contract, unless otherwise provided by County's Risk Manager. Said insurance shall include all upstream parties (including the Contractor and the County) as additional insureds using a Blanket Additional Insured Endorsement (ISO form number CG 20 38 04 13) or coverage at least as broad. Contractor shall verify that all subcontractors provide a policy endorsement in compliance with this Paragraph and shall provide a copy of the same to County at least ten (10) working days prior to commencement of any work by subcontractor. Failure of Contractor to so cause and require such compliance by each transferee, subcontractor and assignee, or to timely provide County with a copy of the required policy endorsement, shall constitute a Material Breach of this agreement, and, in addition to any

other remedy available at law or otherwise, shall serve as a basis upon which County may elect to suspend payments hereunder, or terminate this Contract, or both.

14. Licensing and Permits:

Contractor warrants (i) Contractor is qualified and competent to provide all Services under this contract; (ii) Contractor and all employees of Contractor hold all necessary and appropriate licenses therefor, including those licenses set forth at §14, page one (1) hereof; and, (iii) Contractor shall obtain, and remain in compliance with, all permits necessary and appropriate to provide said Services. Contractor shall cause said licenses and permits to be maintained throughout the life of this Contract. The California Department of Public Health, Maternal, Child and Adolescent Health (CDPH/MCAH) Division is implementing MIECHV as the California Home Visiting Program (CHVP) in the state. The purpose of this program is to: (1) provide leadership and coordinate maternal and early childhood systems and supports to advance federal, state, and local efforts to improve the health and well-being of families in California; (2) cultivate strong communities; (3) promote maternal health and well-being; (4) improve infant and child health development; and (5) strengthen family functioning.

Contractor shall enroll new clients to maintain a caseload of 112 actively served clients during the course of this Agreement. Contractor shall assure program integrity and fidelity in accordance to the selected evidence-based model, in this case the Healthy Families America (HFA) model. Program shall be in accordance and meet all CHVP program requirements/guidelines.

Healthy Families America is a national model designed to help expectant and new parents get their children off to a healthy start. The primary program goal is to prevent child abuse, maltreatment and/or neglect before it starts. This goal is achieved through regular home visitation and by: 1) identification of family's strengths and goals, 2) positive development of parent-child relationships, 3) healthy childhood development, 4) enhanced family functioning.

Service Area:

Contractor shall provide services throughout Nevada County (both Eastern and Western County Regions).

Scope of Services:

Contractor's responsibilities shall include, but not necessarily be limited to the following:
