NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: June 19, 2018

TO: Board of Supervisors

FROM: Julie Patterson Hunter

SUBJECT: Resolution appointing Ms. Linda Miller to the Nevada County Resource Conservation District

RECOMMENDATION: Appoint Ms. Linda Miller to an unexpired term on the Nevada County Resource Conservation District through November 27, 2020.

FUNDING: N/A.

BACKGROUND: The Local Agency Formation Commission's Municipal Service Review for the Nevada County Resource Conservation District outlined that the potential cost of elections in both Nevada and Sierra counties could pose a tremendous financial burden on the Resource Conservation District.

Pursuant to Public Resources Code Section 9314(b)(1), the Nevada County Resource Conservation District Board of Directors, at its May 9, 2006, regular meeting, adopted Resolution 96-01, changing the method of selection of its Board of Directors from elected to appointed officials and requesting the County of Nevada Board of Supervisors to appoint Directors. At its meeting of July 11, 2006, the County of Nevada Board of Supervisors took action to appoint director positions to the Nevada County Resource Conservation District.

One position on the Nevada County Resource Conservation District became vacant on April 24, 2018, and the notice of vacancy was posted as required by law. One application was submitted to the Board of Supervisors. The Nevada County Resource Conservation District Board recommends approval of the appointment of Ms. Linda Miller to the District Board.

Public Resources Code PRC 9314(b)(1) directs that "The Board of Supervisors shall appoint directors, after consultation with the Board of Supervisors of any other county which contains any part of the District, from those candidates who have filed an application." A portion of the District is located in Sierra County. At their meeting of June 5, 2018, the Sierra County Board of Supervisors approved Ms. Miller's appointment.

Please consider appointing Ms. Linda Miller to the Nevada County Resource Conservation District for an unexpired term ending November 27, 2020.
