CHILD CARE AND DEVELOPMENT PLANNING COUNCIL
(Local Name: Child Care Coordinating Council of Nevada County)
Res. 91-311, Restructured and Rescinded 98-12, & 00-404

The purpose of this council shall be to identify child care and development services' priorities to enhance cooperation among children's services, interest groups and agencies, develop a strategic long-range plan for a broad spectrum of child care and development services, and advocate the support of child care and development services at the local, state and federal levels of government. The Council is prohibited from engaging in the provision of direct services.

The Local Child Care and Development Planning Council was established on June 4, 1991 by Res. 91-311 and was designated as the Local Child Care and Development Planning Council as required by AB 1542 (Res. 98-12). Res. 98-12 was rescinded by Res. 00-404. This council shall be required to comply with provisions of Section 8499.5 of the Education Code. The passage of Proposition 10 and AB 212 and other State policies have created new public support for improvements to our child care and development service system and added significance to the planning and other Local Child Care and Development Planning Council responsibilities.

This Council shall consist of 10 members: five appointed by the Board of Supervisors and five appointed by the Superintendent of Schools, each for a two-year term. Any representative appointed by necessity of a mid-term resignation shall serve to the end of the two-year appointment period only.
