Education/Employment Experience

I have a BA and MA in Child Development from California State University of Sacramento. I currently am the Case Manger for the Young Parents Program and Cal-Learn Program of Nevada County. Working with young parents is a passion of mine as I had my first child when I was 18. I know from experience that goals and dreams are achievable despite unqiues challenges that may arise. I love to share this perspective with young parents and support then in their journey. Prior to this position I was the Site Supervisor of Silver Springs Early Head Start and worked with KidZKount PCAC for 5 years. This site was and still is in partnership with the Young Parents Program at Silver Springs High School. In this position I was able to work with teen parents, that were working toward competing High School, as well as their children and families.

Community Experience and Affiliations

I served on the Head Start Parent Policy Council for two years when my son was in Early Head Start. 2002-2004. I am currently the Tobacco Use Prevention Education Site Coordinator for Silver Springs Continuation High School(2016-present). Additionally I have participated in community events, such as teen resource and health fairs, and youth benefit shows.

Other County Boards, Commissions, or Committees on which you have served:

CSN-CAPC, Breastfeeding Coalition Council

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

I am a mother of 4 children ages 17, 9, 5, and 3. The older two went through Early Head Start programs, my oldest continued through Head Start Preschool. My 9 year old attended a State Preschool Program in Nevada County. Both my 9 & 5 year old went through Transitional Kindergarten. My 3 year old is currently attending a local In-home childcare. All of these programs benefited my children and supported me in attaining my goals. I am honored to have the opportunity to represent parents of Nevada County while advocating for quality childcare choices.
