Education/Employment Experience

I am the Owner/Administrator of a long time child development center in Nevada City. I believe I can bring a unique perspective to the LPC due to my center's multi-faceted program. We serve children from birth to 10yrs and along with private pay we contract with Head Start, Early Head Start, California State Preschool, and Sierra Nevada Children Services. While there are unique challenges to partnering with local, state, and federal agencies, it allows Little Friends Child Development Center to be truly inclusive of our community. I will bring this passion for inclusiveness to the LPC along with my can-do attitude and extensive problem solving skills. Due to my experience, I am also able to interpret the issues facing our childcare community through the lenses of the most common programs in the area.

Community Experience and Affiliations

I am a second generation Nevada County resident who has served the community in a variety of ways. As a teen I was heavily involved with the creation of the Grass Valley Skateboard Park and volunteered at the food bank after college. Most recently I served as a Yuba river monitor to test and document the health of the river and participated in numerous community projects as a Rotarian.

Other County Boards, Commissions, or Committees on which you have served:

None

Other experience you feel would be helpful to the Board of Supervisors in making this appointment:

My mother, Elizabeth Mackenzie, was an inaugural and longtime member of the LPC. She impress upon me the crucial work the board does to unite the counties child care field and improve the quality of care for children and their families.
