## NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

---

**MEETING DATE:** July 10, 2018

**TO:** Board of Supervisors

**FROM:** Daniel Chatigny, Chief Fiscal Administrative Officer

**SUBJECT:** **Approval of applications to the United States Department of Agriculture (USDA) for Community Facilities financing to help support the cost of the North San Juan Fire Flow project and to authorize County staff to register with USDA and submit the applications**

---

**RECOMMENDATION:** Adopt the attached Resolution.

**FUNDING:** This Resolution has no fiscal impact. Any funding received from USDA grants or loans will come back to the Board for consideration.

**BACKGROUND:**

County staff has been actively working on several community facilities projects and has engaged in collaboration efforts with the USDA for either low interest loans or grant funds. The project identified as being both eligible for funding assistance and feasible is the North San Juan Fire Flow project.

This project has received a high level of interest from USDA and the County has been encouraged to submit pre-applications in the current federal funding year. In order to complete and submit the pre-application the USDA requires that the Board of Supervisors approve the submittal of the application and also that the Board of Supervisors designate authorized staff to submit the application.

Staff is requesting that the Board approve the submittal of a pre-application and application for the North San Juan Fire Flow project and designate specific staff to prepare, sign and submit the applications.

Please contact me if additional information is required.

**Item Initiated:** Daniel Chatigny, Chief Fiscal Administrative Officer

**Item Approved by:** Trisha Tillotson, Director of Public Works
