### NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

---

**MEETING DATE:** August 14, 2018  
**TO:** Board of Supervisors  
**FROM:** **Steve Monaghan, Chief Information Officer**  
**SUBJECT:** County - Town of Truckee conversations concerning the Truckee county library branch operations.

---

**RECOMMENDATION:** Informational item only.

**FUNDING:** There is no funding impact at this time.

**BACKGROUND:** In 2016, the County Executive Officer sent a letter to the Truckee Town Manager communicating that the County would be open to discussing the possibility for the Town to take over local library operations. This was driven from many years of Truckee library advocates promoting this scenario and exploring locally operated options on their own. In 2017 the Town contracted with a consulting firm to perform a study on the economic feasibility of this option. The report was completed in the spring of 2018 and presented to the Truckee Town Council. The Truckee Town Council directed the Town Manager to work with the County to explore a feasible solution. The County and Town held an initial discussion meeting in July.

This staff presentation is to update the Board on the Town's study and process to date, and to gain general feedback and staff direction from the Board.
