NEVADA COUNTY BOARD OF SUPERVISORS Board Agenda Memo

MEETING DATE: November 13, 2018
TO: Board of Supervisors
FROM: Steve Monaghan, Chief Information Officer
SUBJECT: Resolution approving a Settlement Agreement and Release between the County of Nevada and PG&E in the amount of \$45,000

RECOMMENDATION: Adopt the Resolution

FUNDING: Funds will be deposited into the Other Sources and Uses.

BACKGROUND: As result of previous action of the Board, Resolution 16-175 authorized an Energy Performance Master Contract with Climatec LLC and SunPower Corporation, Systems, to implement an Energy Conservation and Solar Energy Generation Program at various Nevada County facilities. Additionally, Resolution 16-177 approved Agreement 2 for the Nevada County Energy Conservation and Generation Project with SunPower Corporation to engineer, procure, and construct five solar energy generation projects.

The original completion date for the entire project was December 1, 2017 but higher than average rainfall and PG&E interconnect issues caused substantial delays at the Lake of the Pines and Ranch Property facilities. Final project completion for all five solar sites was adopted by the Board on October 9, 2018 by Resolution 18-500. As a result of these delays a claim was submitted to PG&E by the County of Nevada. PG&E has provided the attached Settlement Agreement and Release in the amount of \$45,000 to settle the claim in relation to the delays the occurred at two of the solar project sites.
