Public Areas and Shooting Range Locations

- California Department of Parks and Recreation (State Parks)

Per California Code of Regulations possession of firearms are prohibited on State Park lands with the exception of possession within temporary lodging or mechanical mode of conveyance.

- Bureau of Land Management (BLM)

Target shooting is prohibited on all BLM lands within the South Yuba River corridor. BLM public land outside of the South Yuba River corridor is open to target shooting with adherence to all state law regarding the discharge of firearms.

BLM does not have any "designated ranges" and does not maintain a list of where shooting is recommended. Additionally, all BLM land is closed to shooting during fire season.

- United States Forest Services – Tahoe National Forest

On Federal Lands, firearm possession and use is regulated in concurrent with whatever state & county jurisdiction forest visitors are in. Currently, there are not specific areas that are officially designated for shooting but rather the activity is allowed per Federal Regulations with the below restrictions. Prohibitions specific to firearms use on National Forest Service lands include:

36 CFR 261.10(d): Discharging a firearm or any other implement capable of taking human life, causing injury, or damaging property [is prohibited] as follows:

- (1) In or within 150 yards of a residence, building, campsite, developed recreation site or occupied area [(\$400 or MA)], or
- (2) Across or on a National Forest System road or a body of water adjacent thereto, or in any manner or place whereby any person or property is exposed to injury or damage as a result in such discharge [(\$400 or MA)].
- (3) Into or within any cave [MA].

36 CFR 261.9(a) Damaging any natural feature or other property of the United States [(\$250 or MA)].
