B. Reimbursement for all types of enforcement activities shall be at the following rates unless specifically stated otherwise. The following rates include wages, fringe benefits, and equipment:

1. *Regular Deputies:* For the services provided in Section II, the Forest Service agrees to reimburse the Cooperator at a rate not to exceed **\$52.49** per hour and **\$.50** per mile.
2. *Reserve Deputies:* For the services provided in Section II, the Forest Service agrees to reimburse the Cooperator at a rate not to exceed **\$31.00** per hour and **\$.50** per mile.

II. PATROL ACTIVITIES:

A. Time schedules for patrols will be flexible to allow for emergencies, other priorities, and day-to-day needs of both Cooperator and the U.S. Forest Service. The emphasis for patrols should focus on periods of higher visitor use such as Friday evenings, Saturday days, evenings, nights, and Sunday mornings, primarily between Memorial and Labor Day holiday weekends with potential extra emphasis on the Independence Day weekend, or as otherwise requested by the Forest Service. Actual work schedules will be negotiated between the designated representatives a minimum of 24 hours in advance. Ample time will be spent in each area to make residents and visitors aware that law enforcement officers are in the vicinity.

B. Patrol in the following campgrounds, developed sites, and dispersed areas:

Boca Reservoir
White Clout

Prosser Lake
Skilman

Meadow Lake
Bowman Lake

Canyon Creek
Fuller Lake
Lindsey Lake

Jackson Creek
Carr Lake
Pierce Meadow

Faucherie
Feeley Lake
Rattlesnake Road

South Fork Yuba River, including Washington, Kelher, and Golden Quartz

Patrols shall be conducted on a call when needed basis or as scheduled by the Forest Service designated representative.

When requested by the Forest Service designated representative, and as resources are available, the Cooperator will assist the Forest Service in conducting support activities related to the enforcement and investigation of violations of criminal law as they pertain to the mission of the Forest Service.

Total reimbursement for this category shall not exceed the amount of: \$12,000.00

- C. Cooperator personnel assigned to duties in Section II must be regular employees of the Nevada County Sheriff's Office with at least POST certification to operate in a solo-officer capacity. The Cooperator's assigned personnel will utilize the County's standard equipment and vehicle, or perform foot patrol, and will be in standard uniform at all times, unless otherwise requested by the Forest Service.

The assigned Deputy will possess a Forest Service radio and maintain communications with Grass Valley ECC Dispatch, including going in and out of service, at all times during the patrols.

Duties for that day or time period will be entirely Forest Service oriented and patrol the areas at the request of the Forest Service designated representative. The assigned Deputy should not generally be available for routine calls for service other than those at the request of the Forest Service. Since the billable period is an hour, any calls off National Forest land that result in absence for an hour or more, will be documented and will not be billable. Patrols should be conducted with a designated Forest Officer accompanying the Deputy, as available.

For each patrol shift, the Deputy will complete and turn in a Daily Field Activity Report (DFAR, FS 5300-26, attached). The Sheriff's Deputy will complete the report after each activity and give to the Forest Service designated representative bi weekly.

The Cooperator will complete and submit to the Forest Service the Forest Service Cooperative Law Enforcement Activity Report (FS 5300-5, attached) identifying the number of crimes occurring on NFS lands. The report shall follow the FBI Uniform Crime Reporting groupings, Part I and Part II offenses. Offenses and arrest information shall be combined and reported for each crime. This report shall separate the crimes

handled under this agreement from those handled by the cooperator during regular duties. Both report forms are attached to this Exhibit and/or the Cooperative Agreement. Each Forest Service designated representative will also provide the forms as needed.

The Cooperator may not be reimbursed for the services of personnel who are employed by the Forest Service in a law enforcement capacity and are also Reserve Officers of the Cooperator.

III. EQUIPMENT AND SUPPLIES:

See Cooperative Law Enforcement Agreement Provision IV-L for additional information.

The Forest Service will loan those surplus items that will further the cooperative effort. These items are property, but in most cases will be expendable. The items will be tracked and accounted for by the Tahoe National Forest Patrol Captain. Items will be returned to the Forest Service when no longer needed and will report the damage or destruction of such property when applicable or no longer serviceable.

If any of these surplus items have original high value, serial numbers, sensitivity in storage, security or use, they will be loaned and accounted for on an amendment to this operating plan.

If the equipment is abused or neglected, as determined by the Forest Service, the Cooperator may be billed for the repairs or replacement of like equipment.

IV. SPECIAL ENFORCEMENT SITUATIONS:

A. Special Enforcement Situations include but are not limited to: Fire Emergencies, Drug Enforcement, and certain Group Gatherings.

B. Funds available for special enforcement situations vary greatly from year to year and must be specifically requested and approved prior to any reimbursement being authorized. Requests for funds should be made to the U.S. Forest Service designated representative listed in Item I-A of this Annual Operating Plan. The designated representative will then notify whether funds will be authorized for reimbursement. If funds are authorized, the parties will then jointly prepare a revised Annual Operating Plan.

1. Drug Enforcement: This will be handled on a case by case basis. The request will normally come from the Patrol Captain; however, it may come from the Special Agent in Charge or their designated representative. Reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to the incident will coordinate all of their activities with the designated officer in charge of the incident.

2. **Fire Emergency:** During emergency fire suppression situations and upon request by the Forest Service pursuant to an incident resource order, the Cooperator agrees to provide special services beyond those provided under Section II-A, within the Cooperator's resource capabilities, for the enforcement of State and local laws related to the protection of persons and their property. The Cooperator will be compensated at the rate specified in Section I-B; the Forest Service will specify times and schedules. Upon concurrence of the local patrol Captain or their designated representative, an official from the Incident Management Team managing the incident, Cooperator personnel assigned to an incident where meals are provided will be entitled to such meals.
3. **Group Gatherings:** This includes but is not limited to situations which are normally unanticipated or which typically include very short notices, large group gatherings such as rock concerts, demonstrations, and organization rendezvous. Upon authorization by a Forest Service representative listed in Section I-A for requested services of this nature, reimbursement shall be made at the rates specified in Section I-B. Deputies assigned to this type of incident will normally coordinate their activities with the designated officer in charge of the incident.

This includes but is not limited to situations which are normally unanticipated or which typically include very short notice, large group gatherings such as rock concerts, demonstrations, and organizational rendezvous.

Cooperator will notify Grass Valley Emergency Command Center of all known search and rescues and/or injury/fatality incidents that occur on National Forest System lands as soon as possible.

V. BILLING FREQUENCY:

See Cooperative Law Enforcement Agreement Provisions II-H and III-B for additional information.

For services requested in items I, II and agreed to under II and IV, reimbursement will be based upon itemized bills furnished monthly, along with certification that the services have been performed. Final billings for reimbursement must be received by the Forest Service before December 31, 2018.
