Child Support Awareness Month

The greatest gift a parent can give is an active, positive presence in their child's life. When parents are positively involved and empower children to chase their dreams, they set the example for generations to come.

I want to thank every adult who, despite the unknowns, the challenges and the learning moments, continues to dedicate themselves to encouraging a child's growth, success and happiness. With each moment of your presence, you unlock their passions, inspire their ideas and help them discover their strengths.

During Child Support Awareness Month, I encourage all Californians to remember that when we listen, when we smile and when we show every child love, we create a better future for all of us.

Sincerely,

GAVIN NEWSOM
Governor of the State of California
