**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

**MEETING DATE:** August 13, 2019

**TO:** Board of Supervisors

**FROM:** Patrick Perkins, Principal Civil Engineer

**SUBJECT:** **Resolution Approving Amendment Modification Summary (E-76) Increasing the Authorized Funding for Preliminary Engineering by \$138,750 for Federal Aid Project Number BRLO-5917(079) Soda Springs Bridge over South Yuba River Replacement Project – County Project No 224023 – District V**

**RECOMMENDATION:** Approve the attached Resolution.

**FUNDING:** The Soda Springs Bridge over South Yuba River Replacement Project is funded with federal Highway Bridge Program (HBP) funds. The project is in the current Department of Public Works Capital Improvement Plan and impacts the Fiscal Year 2019/20 Road Engineering Budget. A budget amendment is not required and there is no impact to the General Fund.

**BACKGROUND:** By Resolution 14-193, the County of Nevada previously accepted Program Supplement Number N045 to Administering Agency-State Agreement for Federal Aid Projects No 03-5917R in the amount of \$200,000 for the Preliminary Engineering phase of the Soda Springs Bridge over South Yuba River Replacement Project, Number BRLO-5917(079). The State has authorized an increase in funding of \$138,750, for a total of \$338,750, which will provide reimbursement of all eligible costs. In order to receive these funds, the Board of Supervisors must pass a Resolution accepting the increase.
