

NOTICE OF PUBLIC HEARING

Notice is hereby given that on Tuesday, August 13, 2019, at 11:00 a.m. or as soon thereafter as the matter may be heard, at the Truckee Town Hall Council Chambers, 10183 Truckee Airport Road, Truckee, CA, 96161, the Nevada County Board of Supervisors will hold a public hearing to consider adoption of the Hirschdale Road Bridges Project Initial Study/Mitigated Negative Declaration (IS/MND).

The Nevada County Department of Public Works is proposing to replace the one-lane, five-span Truckee River Bridge on Hirschdale Road (Bridge No. 17C-0045) in Nevada County, California, with a one-lane, two-span bridge. The Project also includes rehabilitation and seismic retrofit of the one-lane Hirschdale Road UPRR Overhead (Bridge No. 17C-0046). The two bridges carry Hirschdale Road over the Truckee River and two UPRR tracks approximately 1.2 miles south of Interstate 80 in the unincorporated community of Hirschdale. A draft IS/MND was circulated for a 30-day public review period in accordance with the California Environmental Quality Act (CEQA), from April 26, 2019 to May 27, 2019, with a two-week extension to June 10, 2019. A final IS/MND with responses to comments has been prepared and is being recommended to the Board of Supervisors for adoption. The analysis within the IS/MND finds that all potential environmental effects are less than significant or can be mitigated to less than significant levels by incorporation of mitigation measures.

The final IS/MND is available for public review at the Nevada County Department of Public Works, located at 950 Maidu Avenue, Suite 170 in Nevada City, CA 95959 and at <http://dokkenbridges.com/nevada-county/hirschdale-road-bridges.html>.

You have the right to attend the Board of Supervisor's public hearing to discuss the above matters, provide oral testimony and comment, and/or submit written materials regarding the potential actions. Any person wishing to offer testimony on this matter should appear at the public hearing or may submit written comments (an original and 8 copies) to the Clerk of the Board at or prior to the scheduled public hearing. The Board Chairperson may place reasonable restrictions on the time allowed to any person to speak on these matters. Any person speaking on behalf of an organization or group who wishes additional time must have a written statement signed by an officer of that organization stating that he/she is authorized to speak on behalf of that body, and that he/she is relaying the majority thinking thereof.

If you challenge the Board of Supervisors determinations or decisions in court, you may be limited to raising only those issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered to the Clerk of the Board of Supervisors at, or prior to, the public hearing.
