Re: Proposed Revisions to the Golden State Finance Authority JPA Agreement - **ACTION**

Summary

The GSFA Joint Powers Agreement (JPA) was last amended in May 2015. Since that time, GSFA has substantially expanded its efforts to assist member counties in several areas, in addition to the well-established housing and PACE financing programs. These initiatives include:

- Establishment of an economic development team to facilitate county-lead business attraction and retention efforts, job creation efforts, and assist member counties in obtaining related state and federal funding.
- Leveraging GSFA's expertise in capital finance to facilitate rural infrastructure financing.
- Initiating the Golden State Natural Resources Project to promote forest resiliency and associated economic development on a large scale.

The JPA presently grants GSFA the power to (among other things) "finance the construction, acquisition, improvement and rehabilitation of real property...", and all of the ongoing activities of GSFA fall within this authorization. However, GSFA management and counsel recommend amending the JPA to expressly reference these expanded activities, both for purposes of clarity and to ensure that the organization's commitment to these initiatives is reflected in the governing documents. These revisions were reviewed, discussed, and approved by the GSFA Executive Committee at their meeting on July 10, 2019.

The JPA Agreement is attached with proposed revisions in track changes. The specific proposed revisions include:

- Expressly authorizing GSFA to establish and operate programs and projects to promote public safety, economic development, and environmental protection,

including without limitation forest resiliency, wildfire risk reduction, air quality improvement, and waste diversion and reuse.

- Clarifying that GSFA may finance the *preservation* of real property and infrastructure.
- Incorporating recent amendments to the PACE statutes expanding the types of improvements that may be financed through that program.
- Expressly authorizing GSFA to issue Industrial Development Bonds for qualifying projects.
- Specifically referencing GSFA's ability to create nonprofit corporations (such as NHF and GSNR).
- Other technical amendments to revise obsolete language or conform to current practice.

All of the proposed revisions are included in track changes in Attachment 1. The process for revision of the Agreement is as follows:

- Provide the Agreement with proposed revisions to each member's delegate for presentation and action by each member's Board of Supervisors.
- Section 19 of the Agreement calls for presentation and action by each Member's Board to be completed within 60 days of approval by the GSFA Board of Directors. Adoption of the amendment requires approval by a majority of Member Boards.

Recommendation:

It is recommended that the GSFA Board of Directors review and approve the proposed revisions to the GSFA Joint Powers Authority Agreement.
