**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

---

**MEETING DATE:** October 8, 2019

**TO:** Board of Supervisors

**FROM:** **Richard Anderson, District V Supervisor**

**SUBJECT:** Resolution Proclaiming October 20, 2019 as the "24th Annual Truckee River Day" in Nevada County

---

**RECOMMENDATION:** Adopt the attached Resolution.

**FUNDING:** N/A

**BACKGROUND:**

The Truckee River watershed has long experienced environmental impacts from land development, timber harvesting, dam construction, and rail and highway expansion. To help remedy the problems that the river, its tributaries, and surrounding habitat were suffering, three hundred volunteers took part in the first annual Truckee River Day twenty-four years ago, completing ten stream, meadow, and wetland restoration projects.

The Truckee River Watershed Council will host the 24th annual Truckee River Day on October 20, 2019, when volunteers will again work together to restore designated sites, plant native vegetation, and conduct other habitat improvements. The day also includes a River Fair from 1 PM to 4 PM at the Granite Flat Campground, with a native fish release.

Truckee River Day provides an opportunity for the public to learn about and help restore a landscape that they care deeply about. Therefore, I respectfully request that the Board of Supervisors adopt the attached Resolution proclaiming October 20, 2019 as the "24th Annual Truckee River Day" in Nevada County.

Sincerely,
