Zip Books Project Certification of Funding

This document will serve as a written guarantee that Nevada County Library has received an allocation from the Zip Books Project grant in the amount of \$12,000 for the period of July 1, 2019 through June 30, 2020. This allocation will be used for Project participation under the policies and procedures developed by the California State Library, in partnership with the NorthNet Library System. As a reminder, any funds remaining of the \$6000 disbursement your library received as part of the FY 2018/19 CLSA Zip Books grant pilot program must be fully expended before spending these new funds, and libraries must demonstrate the complete expenditure of those funds before spending any of the new allocation. Libraries may later request additional funds if they expect to spend their full FY 2019/20 allocation prior to the end of the grant year.
