Supervisor Richard Anderson
Nevada County Board of Supervisors
950 Maidu Avenue
Nevada City CA 95959

Dear Supervisor Anderson,

The 2019-2020 Nevada County Grand Jury is working to fulfill their responsibility as a voice of the people and conscience of the community. An integral part of that function is the Outreach Committee and Gordon Mangel, Foreperson, and myself, Loydyne Lane, Chair, Outreach Committee, are writing you on behalf of that effort.

We discovered as we studied the records of the Outreach Committee that there are three primary objectives:

- provide the media with timely knowledge of released investigative reports and the responses to them,
- recruit future jurors, and
- educate potential jurors and other interested citizens about the operation of the grand jury.

We also found that in 2018 the Board of Supervisors of the County of Nevada, the City of Nevada City Council, the Grass Valley City Council, and the Truckee Town Council recognized February 2018 as Grand Jury Awareness Month and would like to request that you consider that action in February 2020. We believe that this would help us create a larger pool of jurors to select from for the 2020-2021 Nevada County Grand Jury.

Thank you for your support of this critical judicial process. You may contact Gordon Mangel at 530-432-6979. Please let us know if you have any questions.

Sincerely,

Gordon Mangel
Foreperson
