NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo

MEETING DATE: March 10, 2020

TO: Board of Supervisors

FROM: Jessica Hankins, Public Works Project Manager

SUBJECT: **Resolution Authorizing Environmental Clearance for the 2020 Nevada County Annual Traffic Striping Project – All Districts**

RECOMMENDATION: Approve the attached Resolution.

FUNDING: The Striping Project is planned in the Fiscal Years 2019/20 and 2020/21 Road Maintenance budget. There is no impact to the General Fund.

BACKGROUND: The 2020 Nevada County Annual Traffic Striping Project consists of approximately 241 miles of center line, edge line, bike lane, and turn lane striping on various County-maintained roads in western and eastern Nevada County. The project is scheduled for work in the Summer of 2020. All work will be performed within the County's existing right-of-way. A list of roads anticipated for striping is attached to this staff memo.

This Department has reviewed the project for compliance with the California Environmental Quality Act (CEQA) and has identified the project as a Class I project. Class I projects consist of repair or minor alteration of an existing public facility involving negligible or no expansion of use. Therefore, the project is categorically exempt from the provisions of CEQA, per Section 15301 (c) of the California Code of Regulations. A Notice of Exemption has been prepared for the project and, upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk's Office.
