NEVADA COUNTY BOARD OF SUPERVISORS

Board Agenda Memo

MEETING DATE: March 10, 2020

TO: Board of Supervisors

FROM: **Jill Blake**

SUBJECT: 2019 Novel Coronavirus (COVID-19) informational presentation to the Board.

RECOMMENDATION: Accept the Nevada County Public Health Department Presentation to the Board.

FUNDING: N/A

BACKGROUND: While there are no confirmed reports of COVID-19 in Nevada County at the time of this letter, there have been a possible first case of person-to-person transmission of COVID-19 in California in the general public. The individual is a resident of Solano County and is receiving medical care in Sacramento County.

The Nevada County Public Health Department would like to remind the public that while COVID-19 is a real public health threat, there are no local cases and the immediate risk to the general population is low, so now is the ideal time to plan and prepare for the potential of a heightened public health threat.

Presentation by: Dr. Kenneth Cutler, Nevada County Public Health Officer and Jill Blake, Department of Public Health Director

Item Initiated and Approved by: Jill Blake, Department of Public Health Director
