

RESOLUTION No. 20-101

OF THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA

RESOLUTION EXERCISING THE COUNTY OF NEVADA'S POLICE POWER TO IMPOSE SUBSTANTIVE LIMITATIONS ON RESIDENTIAL AND COMMERCIAL EVICTIONS AND JUDICIAL FORECLOSURES THROUGH MAY 31, 2020

WHEREAS, the origination of the novel COVID-19 ("Coronavirus") in Wuhan City, Hubei Province, China in December 2019, has spread to a growing number of countries, including cases reported throughout the United States, constituting a global COVID-19 pandemic; and

WHEREAS, on March 4, 2020, the Governor of the State of California Proclaimed a State of Emergency to exist in California due to the current and potential impacts caused by COVID-19 and to combat the spread of COVID-19 broadly; and

WHEREAS, the economic impacts of COVID-19 are significant, and could threaten to undermine housing security and the stability of commercial businesses in Nevada County; and

WHEREAS, many residents in Nevada County are experiencing substantial losses of income resulting from business closures, the loss of work hours or wages, or layoffs related to COVID-19, thereby hindering their ability to keep up with their rents, mortgages, and utility bills; and

WHEREAS, because homelessness can exacerbate vulnerability to COVID-19, it is appropriate to take measures to promote housing security and stability in Nevada County in furtherance of public health and efforts to mitigate the economic impacts of COVID-19; and

WHEREAS, taking measures to promote the stability of commercial tenancies in Nevada County economically impacted by COVID-19 furthers the public health interests of Nevada County residents, including allowing commercial businesses to determine whether to remain open based on public health concerns rather than economic pressures; and

WHEREAS, in light of the COVID-19 pandemic and the Governor's March 4, 2020, Proclamation of a State of Emergency, on March 16, 2020, the Governor issued Executive Order N-28-20, suspending any provision of state law that would preempt or otherwise restrict a local government from exercising its police power to impose substantive limitations on residential or commercial evictions; and

WHEREAS, there is an urgent need for the County of Nevada to exercise its police power to impose such substantive limitations on residential or commercial evictions to protect the health, safety and welfare of its citizens in light of the COVID-19 pandemic.

NOW, THEREFORE, BE IT HEREBY RESOLVED by the Board of Supervisors, of the County of Nevada, State of California, as follows:

1. The provisions of the Governor's Executive Order N-28-20, including its recitals, are incorporated herein as if fully set forth.
2. The above recitals, and the recitals in the Governor's Executive Order N-28-20, are true and correct.
3. Pursuant to the general police power of the County of Nevada to protect the health, safety and welfare of its citizens in light of the COVID-19 pandemic, the authority of any landlord to commence any residential or commercial property evictions of tenants or occupants of residential or commercial properties located in the unincorporated areas of Nevada County based on the following is hereby suspended through May 31, 2020, unless otherwise terminated or extended:
 - a. The basis of the eviction is non-payment of rent, or a foreclosure, arising out of a substantial decrease in household or business income (including but not limited to, a substantial decrease in household income caused by layoffs or a reduction in the number of compensable hours of work, or a substantial decrease in business income caused by a reduction in opening hours or consumer demand), or substantial out-of-pocket medical expenses; and
 - b. The decrease in household or business income or the out-of-pocket medical expenses describe in subparagraph (a) was caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19, and is documented.
4. Pursuant to the Governor's Executive Order N-28-20, the statutory cause of action for judicial foreclosure, Code of Civil Procedure section 725a *et seq.*; the statutory cause of action for unlawful detainer, Code of Civil Procedure section 1161 *et seq.*, and any other statutory cause of action that could be used to evict or otherwise eject a residential or commercial tenant or occupant of residential real property after foreclosure is suspended only as applied to any tenancy, or residential real property and any occupation thereof, to which the County of Nevada has imposed a limitation on eviction pursuant to paragraph 3 above, and only to the extent of the limitation imposed by the County of Nevada.
5. Nothing in this Resolution shall relieve a tenant of the obligation to pay rent, nor restrict a landlord's ability to recover rent due.
6. All public housing authorities in the County are requested to extend deadlines for housing assistance recipients or applicants to deliver records or documents related to their eligibility for programs, to the extent that those deadlines are within the discretion of the housing authority.
7. Financial institutions in the County holding home or commercial mortgages, including banks, credit unions, government-sponsored enterprises, and institutional investors, are requested to implement an immediate moratorium on foreclosures and related evictions when the foreclosure or foreclosure-related eviction arises out of a substantial decrease in household or business income, or substantial out-of-pocket medical expenses, which were caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19.
8. The County Executive Officer, the County Counsel, and all other County officers and department heads, are authorized and directed to take such other and further actions as may be necessary or appropriate to implement this Resolution.

PASSED AND ADOPTED by the Board of Supervisors of the County of Nevada at a regular meeting of said Board, held on the 24th day of March, 2020, by the following vote of said Board:

EXECUTIVE DEPARTMENT
STATE OF CALIFORNIA

EXECUTIVE ORDER N-28-20

WHEREAS on March 4, 2020, I proclaimed a State of Emergency to exist in California as a result of the threat of COVID-19; and

WHEREAS despite sustained efforts, the virus remains a threat, and further efforts to control the spread of the virus to reduce and minimize the risk of infection and otherwise mitigate the effects of COVID-19 are needed; and

WHEREAS the economic impacts of COVID-19 have been significant, and could threaten to undermine Californians' housing security and the stability of California businesses; and

WHEREAS many Californians are experiencing substantial losses of income as a result of business closures, the loss of hours or wages, or layoffs related to COVID-19, hindering their ability to keep up with their rents, mortgages, and utility bills; and

WHEREAS Californians who are most vulnerable to COVID-19, those 65 years and older, and those with underlying health issues, are advised to self-quarantine, self-isolate, or otherwise remain in their homes to reduce the transmission of COVID-19; and

WHEREAS because homelessness can exacerbate vulnerability to COVID-19, California must take measures to preserve and increase housing security for Californians to protect public health; and

WHEREAS local jurisdictions, based on their particular needs, may therefore determine that additional measures to promote housing security and stability are necessary to protect public health or to mitigate the economic impacts of COVID-19; and

WHEREAS local jurisdictions may also determine, based on their particular needs, that promoting stability amongst commercial tenancies is also conducive to public health, such as by allowing commercial establishments to decide whether and how to remain open based on public health concerns rather than economic pressures, or to mitigate the economic impacts of COVID-19; and

WHEREAS in addition to these public health benefits, state and local policies to promote social distancing, self-quarantine, and self-isolation require that people be able to access basic utilities—including water, gas, electricity, and telecommunications—at their homes, so that Californians can work from home, receive public health information, and otherwise adhere to policies of social distancing, self-quarantine, and self-isolation, if needed; and

WHEREAS many utility providers, public and private, covering electricity, gas, water, and sewer, have voluntarily announced moratoriums on service disconnections and late fees for non-payment in response to COVID-19; and

WHEREAS many telecommunication companies, including internet and cell phone providers, have voluntarily announced moratoriums on service disconnections and late fees for non-payment in response to COVID-19;

NOW, THEREFORE, I, GAVIN NEWSOM, Governor of the State of California, in accordance with the authority vested in me by the State Constitution and statutes of the State of California, and in particular, Government Code sections 8567 and 8571, do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

- 1) The time limitation set forth in Penal Code section 396, subdivision (f), concerning protections against residential eviction, is hereby waived. Those protections shall be in effect through May 31, 2020.
- 2) Any provision of state law that would preempt or otherwise restrict a local government's exercise of its police power to impose substantive limitations on residential or commercial evictions as described in subparagraphs (i) and (ii) below—including, but not limited to, any such provision of Civil Code sections 1940 et seq. or 1954.25 et seq.—is hereby suspended to the extent that it would preempt or otherwise restrict such exercise. This paragraph 2 shall only apply to the imposition of limitations on evictions when:
 - (i) The basis for the eviction is nonpayment of rent, or a foreclosure, arising out of a substantial decrease in household or business income (including, but not limited to, a substantial decrease in household income caused by layoffs or a reduction in the number of compensable hours of work, or a substantial decrease in business income caused by a reduction in opening hours or consumer demand), or substantial out-of-pocket medical expenses; and
 - (ii) The decrease in household or business income or the out-of-pocket medical expenses described in subparagraph (i) was caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19, and is documented.

The statutory cause of action for judicial foreclosure, Code of Civil Procedure section 725a et seq.; the statutory cause of action for unlawful detainer, Code of Civil Procedure section 1161 et seq., and any other statutory cause of action that could be used to evict or otherwise eject a residential or commercial tenant or occupant of residential real property after foreclosure is suspended only as applied to any tenancy, or residential real property and any

occupation thereof, to which a local government has imposed a limitation on eviction pursuant to this paragraph 2, and only to the extent of the limitation imposed by the local government.

Nothing in this Order shall relieve a tenant of the obligation to pay rent, nor restrict a landlord's ability to recover rent due.

The protections in this paragraph 2 shall be in effect through May 31, 2020, unless extended.

- 3) All public housing authorities are requested to extend deadlines for housing assistance recipients or applicants to deliver records or documents related to their eligibility for programs, to the extent that those deadlines are within the discretion of the housing authority.
- 4) The Department of Business Oversight, in consultation with the Business, Consumer Services, and Housing Agency, shall engage with financial institutions to identify tools to be used to afford Californians relief from the threat of residential foreclosure and displacement, and to otherwise promote housing security and stability during this state of emergency, in furtherance of the objectives of this Order.
- 5) Financial institutions holding home or commercial mortgages, including banks, credit unions, government-sponsored enterprises, and institutional investors, are requested to implement an immediate moratorium on foreclosures and related evictions when the foreclosure or foreclosure-related eviction arises out of a substantial decrease in household or business income, or substantial out-of-pocket medical expenses, which were caused by the COVID-19 pandemic, or by any local, state, or federal government response to COVID-19.
- 6) The California Public Utilities Commission is requested to monitor measures undertaken by public and private utility providers to implement customer service protections for critical utilities, including but not limited to electric, gas, water, internet, landline telephone, and cell phone service, in response to COVID-19, and on a weekly basis publicly report these measures.

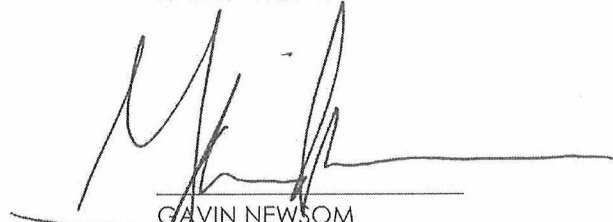

Nothing in this Order shall be construed to invalidate any limitation on eviction enacted by a local jurisdiction between March 4, 2020 and this date.

Nothing in this Order shall in any way restrict state or local authority to order any quarantine, isolation, or other public health measure that may compel an individual to remain physically present in a particular residential real property.

This Order is not intended to, and does not, create any rights or benefits, substantive or procedural, enforceable at law or in equity, against the State of California, its agencies, departments, entities, officers, employees, or any other person.

I FURTHER DIRECT that as soon as hereafter possible, this proclamation be filed in the Office of the Secretary of State and that widespread publicity and notice be given of this Order.

IN WITNESS WHEREOF I have
hereunto set my hand and caused
the Great Seal of the State of
California to be affixed this 16th day
of March 2020.
