FROM: Mike Dent SUBJECT: Adult and Family Services

Child Support Services Director Commission re-appointment

CC: Ryan Gruver

Health & Human Services Agency Director

The purpose of the Adult and Family Services Commission (AFSC) is to represent the community to the Board of Supervisors on issues regarding health and human services and the interests of all residents of Nevada County. I believe Ana Acton, Langdon Waters and Janeth Marroletti expand the breadth of knowledge and expertise of the commission and add value to the commission.

Ms. Acton's professional experience includes over 8 years as the Executive Director of FREED and over 14 years of experience in providing direct services and leadership for independent living community based services in California. Ms. Acton is the Chair of the California Foundation for Independent Living Centers and the California Association of Traumatic Brain Injury and was recently on the board of the North San Juan Community Center.

Mr. Waters professional experience includes 25 years in the technology sector. Mr. Waters has a Masters' in business. Mr. Waters has served five years in leadership roles with local non-profits as a board member and currently is a member of the board of Sierra Streams Institute.

Ms. Marroletti's experience includes over 15 years of community experience working on behalf of seniors. Ms. Marroletti has a Masters' in public health and was a past board member for the California Association of Senior Centers, CalOptima Health Care Plan in Orange County, and the Senior Citizens Commission under the Orange County Board of Supervisors.

The AFSC recommends the re-appointments of Ms. Ana Acton, Landon Waters and Ms. Janeth Marroletti.

Thank you for your consideration.
