### Nevada County Coronavirus Relief Fund (CRF)

Board of Supervisors July 14, 2020

Prepared by the County Executive Office

#### **CRF Allocations**

- Federal CARES Act (March 2020) included \$2 trillion for coronavirus relief nationwide; \$150B Coronavirus Relief Funds (CRF)
- Larger cities and counties received direct federal CRF \$
- State is allocating \$1.3B of CRF to counties; \$10M to Nevada County (June 29, Budget Act of 2020)
- Separate allocations for cities; Nevada City (\$50k), Grass Valley (\$159k), Truckee (\$200k)

#### **CRF Expenditure Requirements**

- Expenditures must be COVID-19 public health emergency related
  - Direct expenses to address medical or public health needs
  - Secondary effects such as economic support to those suffering from unemployment, hardship or business disruption
- Certification for Receipt of Funds was submitted to state on June 30th
  - Must be "necessary" expenditures due to COVID-19 emergency
  - Not accounted for in budget approved as of March 27, 2020
  - Expenses incurred between March 1, 2020 and December 30, 2020

#### **CRF Requirements**

- Adhere to federal and state guidance and orders
- Use funds according to the Budget Act of 2020 (refers to US Department of the Treasury guidance)
- Report on expenditures and return unspent funds
- Retain records to support COVID-19 eligible expenditures and participate in audits
- Funds may not be used to fill shortfalls or replace lost revenue

### CRF Eligible Uses

- US Department of the Treasury guidance identifies the following examples of eligible expenditures:
  - Medical and Public Health
  - Staffing & Payroll (for those substantially dedicated to COVID response)
  - Emergency Response & Operations
  - Housing & Homelessness
  - Economic Support and Community Resiliency
