GENERAL PUBLIC COMMENT:	Joseph Bonomolo	<p>I live in Grass Valley and completely oppose a mask ordinance. The mask mandate is unlawful and unconstitutional and any member of the board that votes to fine businesses is complicit in breaking the law and are knowingly doing so! The bad actors that want to implement this NO LAW are bound by their oaths of office to protect against tyranny... Foreign & domestic. When our elected representatives do not uphold their oath then We the People can and will remove them lawfully! That means you BOS!</p>	Oppose	7/27/2020 16:30
