Agenda Item #37.	Jennifer Lee	<p>Strongly oppose Businesses and individuals have the right to make their own decisions. That is our constitutional freedom. Those fearful of viruses have the right to not patronize and remain home. Freedom for all.</p> <p>Also, the line giving the county the right to revoke ANY COUNTY ISSUED PERMITS is ridiculous and so unrelated!</p>	Oppose	7/28/2020 13:18
Agenda Item #37.	Melissa Hawk	I oppose this ordinance. Support our businesses before they are gone permanently. Give the people the choice.	Oppose	7/28/2020 12:05
Agenda Item #37.	Gregg Lien	<p>For the administrative record, I wish to incorporate by reference my full e-mail comments made yesterday into this comment portal, but will abbreviate them because of your word limit. Taking away the ability to earn a living and depriving some of your constituents of their valuable business assets is a very serious matter that will be met with serious challenges should you embark on an enforcement program utilizing this Ordinance. Respectfully submitted, Gregg Lien, Attorney at Law</p>	Oppose	7/28/2020 9:00

Agenda Item #37.	Kim Gilpatrick	I strongly oppose this ordinance.		7/28/2020 5:12
Agenda Item #37.	MaryJane Huenergardt	As its target actions will help hasten the "exponential decay" of new cases in the COVID-19 pandemic, I support a positive vote on this item.	Support	7/27/2020 23:24
Agenda Item #37.	Richard Earnest	Rush to judgment is not the job of the Board of Supervisors. The overall health, safety and well being of the community is and always will be the first order of priority. Careful consideration of all aspects of an agenda item is imperative. We not only have lives at stake but livelihoods as well. At a time when we have no experience in dealing with existential conditions in our daily life, it is even more important to carefully consider all aspects of an issue that affect the community. Agenda Item #37. Karin Hofland

Because of the overwhelming evidence that masks and social distancing protect against the spread of COVID-19, please vote to enforce Public Health orders. Letting non-compliant businesses recklessly flout common-sense restrictions is unfair to the vast majority of businesses who care about the health of our community. During a pandemic, wearing a mask and dining inside a restaurant are not matters of personal choice, any more than driving drunk. Behavior that endangers others is not acceptable.
