Hi Dan,

My wife and I are in escrow on a house in Nevada City limits. I asked the County Planning department their opinion of my status as a planning commissioner when we move out of the district and you can see their response below in this email thread. We probably will close in a month so I wanted to give you a heads up. They suggested that I stay on until the first of the year, unless you pick someone sooner of course! I must tell you that I will miss this work, fellow commissioners and bright staff; I am truly honored and humbled that you have had me as your commissioner for so many years. Thank you, thank you, thank you!

If I can help you or the county in the future simply let me know.

Paul
