Board Agenda Memo

MEETING DATE: December 15, 2020

TO: Board of Supervisors

FROM: Shannan Moon, Sheriff-Coroner-Public Administrator

SUBJECT: Resolution authorizing the Sheriff to execute a renewal project agreement G19-03-16-L01 with the State of California, Department of Parks and Recreation, for off-highway vehicle (OHV) grant funds

RECOMMENDATION: Adopt the resolution

FUNDING: Funding is for FY 20/21 and impacts the Sheriff's Office Operations budget; partial expenses will be reimbursed by the OHV Grant with a minimum of 25% in matching funds supplied by the County General Fund. The contract is for \$43,427 in reimbursement with \$14,599 in matching funds, for a total of \$58,026. No budget amendment is required and no additional General Funds beyond the current appropriation are needed.

BACKGROUND: The State of California, Department of Parks and Recreation, Off-Highway Motor Vehicle Recreation Division offers grant funding for off-highway vehicle programs. The Sheriff's Office submitted a grant application, approved by Resolution 20-167, asking for OHV grant funding for our FY 2020/2021 to provide off-highway vehicle law enforcement services. This grant requires a minimum of 25% in matching funds, which the Sheriff's Office will provide as represented by staff time, equipment expenses and administrative costs.

The Sheriff's Office received notice that they are eligible for \$43,427 in grant funding for the project period November 15, 2020 to November 14, 2021. This grant will be used to provide OHV patrols in outlying areas during peak holiday seasons. We expect to exceed the required 25% in matching funds.
