Re: Agenda Item #50 – resolution approving applications for Per Capita Grant Funds

The Truckee Donner Recreation & Park District (TDRPD) would like the Board of Supervisors to consider an amendment to the staff recommendation for the remaining Proposition 68 Nevada County per capita funds. The TDRPD has no problem with \$160,000 being allocated to the floor replacement for the Grass Valley Veteran's Building. The staff recommendation for the remaining \$240,000 per capita funds is to conduct a Request For Proposal process in order to evaluate additional projects in Nevada County. TDRPD is fine with a Request for Proposal process, but would like to recommend to the Board of Supervisors that the remaining \$240,000 be granted in equal shares to eligible cities and districts that submit a Request for Proposal project. These eligible shares could be based on population or just an equal amount for each project.

Truckee Donner Recreation & Park District would like to request that all the money available does not get allocated to just Western Nevada County.

Thank you for your consideration of our request.

Steve Randall  
General Manager

Truckee Donner Recreation & Park District.
