Hospital Administrative Day	\$554.66
Daily Rate for Physician Support Services, when provided	\$ 90.00

<u>Hospital Administrative Day</u>

Attending physician fees for Managed Medi-Cal shall be billed separately. In the event Host County (Sacramento County) sets a maximum allowable rate for inpatient care at a new rate, COUNTY agrees to pay the new rate to CONTRACTOR. CONTRACTOR will notify COUNTY in the event the Host County (Sacramento County) sets a new allowable rate for inpatient care.

For clients under Involuntary Detention (5150) who have Medicare coverage and do not have a secondary insurance carrier and/or Medi-Cal, and who have not met their Medicare annual deductible, COUNTY shall pay the annual deductible. If the client has a secondary insurance carrier and/or Medi-Cal, CONTRACTOR shall bill the secondary insurance carrier or Medi-Cal for the annual deductible. CONTRACTOR shall bill Medicare for balance due.

For clients under Involuntary Detention (5150) with other types of insurance who have a self-pay and/or deductible, COUNTY shall pay the self-pay or annual deductible not to exceed the rate of service of \$770.00 per patient day. If self-pay portion exceeds COUNTY'S rate of

\$770.00 per patient day, CONTRACTOR shall accept COUNTY'S rate as contractual allowance.

Contractual allowance is the net revenue for CONTRACTOR and CONTRACTOR shall write off the difference between COUNTY'S obligation and client's self-pay amount.

The rate per day covers services provided for 72-hour treatment and evaluation detentions; 14- day intensive treatment certifications; 30-day intensive treatment certifications; and 180-day post-certification intensive treatment proceedings. If a client, who is admitted under 5150 criteria changes to a voluntary status during the initial 72 hours, County shall reimburse Contractor for the 72 hours.

If COUNTY sends client under 5150, COUNTY is responsible for first 72 hours even if client goes to voluntary status during the first 72 hours. After the first 72 hours, COUNTY authorization is required for payment of additional days for clients on voluntary status. CONTRACTOR shall contact COUNTY'S Access Team for payment approval. If it is determined that a client referred under 5150 has other payment resources available, CONTRACTOR shall notify COUNTY during the first 72 hours of care of such resources. Additional days must be pre-approved for payment by COUNTY'S Access Team. If client is not a Nevada County resident, COUNTY shall only be responsible for first 72 hours of care and will use its best efforts to assist Contractor to obtain authorization and reimbursement from the client's county of residence.

Monthly invoices for charges for services shall contain client case number, admission and discharge date and total number of days billed.

Applicable Fees:

Clients may be charged a fee by CONTRACTOR for services and such fee shall be determined by CONTRACTOR based upon the client's ability to pay for services. CONTRACTOR shall complete the appropriate demographic and financial forms as provided by COUNTY. CONTRACTOR shall not bill the client for more than the "Uniform Method of Determining Ability to Pay" (UMDAP) fee developed by the State Department of Mental Health, except when 5150 referral is a Medicare recipient; in these cases, CONTRACTOR shall adhere to Medicare regulations. Failure of CONTRACTOR to comply will be in violation of the State Department of Mental Health's regulations and may be subject to audit exceptions as well as other remedies provided in this contract. No client shall be denied services because of his/her inability to pay.

CONTRACTOR shall be entitled to bill and collect from a client for un-reimbursed costs not to exceed the client's liability as determined by UMDAP.

It is understood that in accordance with UMDAP, the liability shall apply to services extended to the client for a one-year period. There can be only one annual liability period regardless of the number of providers within the county or state in which client is treated. CONTRACTOR must respect the liability established by a previous provider for the remainder of the liability service period.

COUNTY acknowledges that Emergency Services for COUNTY patients will be covered

services hereunder. "Emergency Services" will include all services provided to screen or treat a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain, psychiatric disturbances or symptoms of substance abuse) such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

- (2) serious impairment to bodily functions;
- (3) serious dysfunction of any bodily organ or part;

Such Emergency Services shall include all screening and stabilizing treatment. CONTRACTOR is required to provide under state and federal laws regarding emergency treatment, whether or not emergency conditions are ultimately found to exist, including services to screen and treat in an emergency, as defined above.
