EXHIBIT "A"
SCHEDULE OF SERVICES
SIERRA NEVADA CHILDREN'S SERVICES (SNCS)

The County of Nevada, Department of Social Services, hereinafter referred to as "County", and Sierra Nevada Children's Services, hereinafter referred to as "Contractor", agree to enter into a specific contract for Contractor to provide services related to administration of the Stage I CalWORKs Child Care Program.

PROGRAM OVERVIEW

The Stage I CalWORKs Child Care Program will be the first child care step for parents receiving aid within Nevada County. These subsidies allow families the opportunity to become economically self-sufficient. The premise of this subsidy program is that parents have the right and responsibility to select the most appropriate child care for their child. It is anticipated that consumers' flow through the system will be uninterrupted by programmatic or administrative constraints. These changes may include a client going from Stage I to Stage II, and will be a paperwork change only, not disruptive to the child's care. The goal is to provide a "seamless" child care system of moving an eligible family through three stages of CalWORKs-related care, and then on to the "larger child care arena". It will also provide the family with a "One Stop" child care delivery service provided by the experts in the field.

The Contractor and County share the belief that children are our future and every opportunity must be taken to enhance the quality of their lives by providing support services and community education which encourages and supports parental choice in the child care realm; and that every child deserves a safe and healthy environment that nurtures their positive growth and development.

Contractor agrees to provide the following services:

- Provide and maintain adequate staff and administrative capabilities to carry out its duties under this Agreement and to meet any applicable regulations pertaining to its delivery.
- Educate and counsel parents on choosing appropriate child care.
- Assess families' ongoing child care and other social service needs, making referrals to community resources and provide follow up referrals.
- Provide reimbursement to child care providers for services provided to CalWORKs recipients.
- Work with the Resource and Referral Staff to recruit and retain all types of appropriate child care, and to ensure that providers meet licensing or registration requirements as outlined by state law and/or funding regulations.
- Educate both the parent and participating provider of program regulations, policies and procedures.
- Provide technical assistance and support to child care providers.

- Develop policies and procedures, which ensure both internal and external program and fiscal control, accurateness and timeliness of payments.

Additional Contractor Responsibilities:

- Annual and as needed collaboration with County CalWORKs staff to provide cross training to ensure continuity of information and services to clients. Contractor and County staff will attend these trainings.
- Maintain collaborative relationship with CalWORKs Staff to support family success, determine stability for transfer to stages 2 to 3, and monitor time limits within stages.
- Develop forms in collaboration with CalWORKs Staff that ensure family eligibility (i.e. income verification, need for care, etc.).
- Provide orientation to parents (in group settings or one-on-one) that includes intense education on child care choices and assessment of their child care needs, and provide referrals to all types of appropriate child care.
- Upon receipt of Child Care Authorization from CalWORKs, Contractor shall meet with parent(s) to develop a family file, determine family needs, make referrals to child care, referrals to other social services, and discuss parenting and/or child development concerns, as well as program participation requirements. Provide on-going case management.
- Contact child care provider selected by the parent(s) to discuss the agreement for services, as well as program and/or licensing participation requirements prior to signing a contract with the provider.
- **Contractor will issue required CDE and CDSS Notices of Action when child care services are approved, changed or discontinued and provide copies of Notice of Actions to CalWORKs.**
- Submit required Subsidized Childcare Report monthly through the CDM Site, per ACL 19-06 and 20-02.
- Utilize the County Case Management System, C-IV, to view and utilize the Immediate and Continuous Eligibility Data Report monthly.
- Provide on-going support and assistance to the parent and child care provider through utilization of classes offered by SNCS and other community agencies in areas such as parenting, child development, communication, etc.
- Utilize the SNCS staff to implement TrustLine procedures for license-exempt providers, including orientation, fingerprinting and training. Maintain appropriate data for capacity building efforts.
- Receive all required documentation such as attendance documentation: attendance and claim sheets, and institute payment process on a monthly basis and forward copies of timesheets on to the county.
- Ensure timely payments to providers; when possible, pay child care provider by the 20th of each month for child care provided in the prior month.
- Contractor shall readily provide and exchange with County any client information and financial information related to this Agreement, including a monthly list of clients for whom child care was paid, as requested and needed by appropriate County Staff and as permitted by applicable law.
- Contractor shall submit at least one press release to media outlets (local newspaper, radio, newsletter, etc.) describing project success. This press release shall include description of the partnership with the Nevada County Department of Social Services.

- Assurance of Compliance with Confidentiality - Contractor shall hold CalWORKs related information confidential as directed and applies in State Welfare and Institutions Code Section 10850, California State Department of Social Services, Policies and Procedures Manual, Division 19-000 and Civil Code Section 56.10.
- Assurance of Compliance with Non-Discrimination- Civil Rights.
- When notified by the child care provider, Contractor will notify County whenever a child/ren is/are absent for 3 days or more on an unexcused absence. Licensed child care providers will be informed of notification requirement regarding unexcused absences.
 - **Reporting:** Contractor agrees that he/she will provide a report to Nevada County Department of Social Services within 60 days of contract initiation as to how and when Confidentiality and Civil Rights training was provided to all persons performing services under Contractor's Agreement with the County of Nevada and including Contractor's policies and procedures, which ensure both internal and external program and fiscal control, accurateness and timeliness of payments.

County's Responsibilities shall include the following:

- Refer eligible CalWORKs participants to Contractor as appropriate.
- Maintain ongoing communication and coordination with Contractor as needed regarding child care services and for problem solving discussions.

Despite progress in addressing explicit discrimination, racial inequities continue to be deep, pervasive, and persistent across the country. Though we have made many strides toward racial equity, policies, practices, and implicit bias have created and still create disparate results. Through partnerships with the community, Nevada County Department of Social Services strives to address these inequities and continue progress in moving forward.

We encourage our contractors to have a diverse and inclusive workforce that includes representation from the disparate communities served by our county. Contractors will be expected to think holistically about creating services, program sites, and an employee culture that is welcoming and inclusive. Contractors should track metrics on Diversity, Equity, and Inclusion outcomes within their service delivery. Additional efforts should be made to identify and highlight growth opportunities for equitable outcomes, access to services, and other opportunities. Please dialog with your County contract manager about proposed metrics to track.

Services should be designed to meet clients' diverse needs. Contractors will be expected to participate in trainings and tailor outreach efforts and marketing materials to engage a diverse population of community members. Given that Spanish is a threshold language in Nevada County, a special emphasis should be placed on engaging Latinx communities and providing services in Spanish.

Any insurance proceeds in excess of the specified limits and coverage required, which are applicable to a given loss, shall be available to Agency. No representation is made that the minimum Insurance requirements of this Contract are sufficient to cover the indemnity or other obligations of the Contractor under this Contract.

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

Other Insurance Provisions:

The insurance policies are to contain, or be endorsed to contain, the following provisions:

- (i) **Additional Insured Status: The County, its officers, employees, agents, and volunteers are to be covered as additional insureds** on the CGL policy with respect to liability arising out of the work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to

the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 25, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used.)

- (iv) **Waiver of Subrogation** Contractor hereby grants to County a waiver of any right to subrogation which any insurer or said Contractor may acquire against the County by virtue of the payment of any loss under such insurance. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the County has received a waiver of subrogation endorsement from the insurer.
- (v) **Sole Proprietors** If Contractor is a Sole Proprietor and has no employees, they are not required to have Workers Compensation coverage. Contractor shall sign a statement attesting to this condition, and shall agree they have no rights, entitlements or claim against County for any type of employment benefits or workers' compensation or other programs afforded to County employees.
- (vi) **Deductible and Self-Insured Retentions** Deductible and Self-insured retentions must be declared to and approved by the County. The County may require the Contractor to provide proof of ability to pay losses and related investigations, claims administration, and defense expenses within the retention.  - b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - c. - (ix) **Verification of Coverage** Contractor shall furnish the County with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to County before work begins. However, failure to obtain and provide verification of the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The County reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.
- (x) **Subcontractors** Contractor shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that

County is an additional insured on insurance required from subcontractors. For CGL coverage subcontractors shall provide coverage with a format at least as broad as CG 20 38 04 13.

- (xi) **Special Risks or Circumstances** County reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
