**NEVADA COUNTY BOARD OF SUPERVISORS
Board Agenda Memo**

MEETING DATE: June 22, 2021
TO: Board of Supervisors
FROM: Trisha Tillotson, Director of Public Works
SUBJECT: Resolution Approving TTSD Special Circumstance Rate Adjustment Request

RECOMMENDATION: Approve the attached Resolution.

FUNDING: Contract services will be funded through the collection of parcel charges in unincorporated Eastern Nevada County and will impact the Solid Waste Eastern budget. There is no impact to the County General Fund.

BACKGROUND: On June 11, 2019, Per Resolution 19-255, the Board of Supervisors Awarded an agreement with Tahoe Truckee Disposal Company, Inc., a California Corporation (DBA, Tahoe Truckee Sierra Disposal or TTSD), for collection and disposal of solid waste generated in Eastern Nevada County. Per the agreement rates shall be adjusted by an amount that reflects the annual percentage change in the Producer Price Index (PPI) for solid waste collection. Additionally, the agreement allows for a special circumstance rate adjustment for an increase in the tipping fee at the Eastern Regional Landfill (ERL) which exceeds the annual percentage change in the PPI upon approval by the Board of Supervisors. The ERL is in Placer County and tipping fees are approved by the Placer County Board of Supervisors through a formal public hearing process.

For two consecutive years the tipping fee at ERL has exceeded the annual percentage change in the PPI, by 0.625% and 0.165% respectively, for a total of 0.79%. Staff recommends approval of the .79% special circumstance rate adjustment request, which would be added to the annual PPI rate adjustment of 3.42%, for a total rate adjustment of 4.21%, effective July 1, 2021.
