BACKGROUND: To increase transparency and accountability regarding the work and resources dedicated to the Board of Supervisor's annual objectives, the County CEO implemented performance management software to track initiatives across many departments which contribute to the achievement of the Board's objectives.

In January of 2021, the Board of Supervisors set annual priorities for the County during their planning workshop including: 1) Fiscal Stability and Core Services; 2) Emergency Preparedness; 3) Economic Development; 4) Broadband; 5) Cannabis; 6) Housing; and 7) Homelessness.

This mid-year report represents the progress made toward these objectives during the 2nd quarter of calendar year 2021, April – June. The report includes a progress update and next steps for each of the objectives.
