Accepted.

ACTION TAKEN: Following a short break, Chair Miller called the meeting back into order and Steve Monaghan, Chief Information Officer, reported that this was the County's second Redistricting Public Workshop. The purpose of the Workshop is to provide the public with information regarding the redistricting process, and to gain input on the current Board of Supervisor District boundaries and communities of interest that should be taken into consideration to adjust those boundaries. Two more workshops are scheduled on November 9 and 16, 2021, with final adoption of the boundaries scheduled on December 14. Steve Monaghan introduced Consultant Doug Yoakam, National Demographics Corporation, who is assisting the County with the overall Redistricting Project.

Doug Yoakam provided a PowerPoint presentation regarding the Nevada County 2021 Redistricting process and timeline.

Federal Law calls for: 1) Equal Population; 2) Adherence to the Federal Voting Rights Act; and 3) That no action be taken that could result in racial gerrymandering. California criteria includes 1) Geographical contiguous; 2) Undivided neighborhoods and communities of interest and cities; 3) Identifiable boundaries; and 4) compact, so as not to bypass one group of people to get to a more distant group of people. Other principles include: 1) Minimize voters shifted to other election years; 2) Respecting choices and continuity of office; 3) Future population growth; and 4) Preservation of the core of existing Districts.

Examples of physical features that define a neighborhood boundary include: 1) Natural dividing lines, such as highways or roads, rivers, canals, and/or hills; 2) Areas around parks or schools; and 3) Other neighborhood landmarks.

Communities of Interest include geographic areas, along with a shared issue or characteristic.

Doug Yoakam reported that as soon as the Census information is received, the community will be able to visit the County's Redistricting website to access tools to review, analyze and compare maps. DistrictR, a tool to map out neighborhoods, is currently available on the County's Redistricting website. To contact the County regarding redistricting, members of the public can call (530) 470-2540 or email redistricting@co.nevada.ca.us.
