Project Overview

Organization is an Internet Service Provider (ISP) with a 16-year history of serving Nevada County and surrounding area with high-speed internet primarily in the Sierra Foothills and High Mountain areas, including but not limited to North Lake Tahoe, parts of Truckee, Squaw Valley, Alpine Meadows, and other communities around Lake Tahoe. The project will provide infrastructure to enable wireless service to residents and business along Dam Rd after Gray's Crossing ends all the way to the end of the road and homes in Pannonia Ranchos accessed from Prosser Dam Rd and just to the east of it. Organization estimates that Project will provide wireless services to fifty-five (55) unserved households and forty-five (45) underserved households and one (1) underserved business.

The project will provide wireless internet through the deployment of wireless internet of i) 5Ghz Line-of-Sight high performance technology, and ii) 3.65 L TE non-Line-of-Sight technologies in three (3) phases as outlined in supplemental documents in Exhibit B. Total project is estimated to cost one-hundred five thousand seven hundred ninety-nine dollars (\$105,799) as broken down below. Up to but not more than a 50% match of Project's total cost of fifty-two thousand nine hundred dollars (\$52,900) shall be eligible for reimbursement.

Reimbursement Schedule

County shall provide reimbursement of a maximum of fifty-two thousand nine hundred dollars (\$52,900) for labor or equipment costs which represent a 50% match reimbursement of total project cost of one-hundred five thousand seven hundred ninety-nine dollars (\$105,799) in two installments upon the completion of each two phases of Project. Costs eligible for reimbursement shall include all identified labor and equipment costs as provided in the budget outlined supplement documents of Exhibit B. Below provides an estimated cost of the total cost for each project phase and the eligible expenditure reimbursement based on the percentage total for each phase of total expenditure expenses.

	Eligible Reimbursement (50% of Total Project Cost)
Phase 1	\$42,414.10
Phase 2	\$10,485.90
Total (not to exceed)	\$52,900.00

Reimbursement Documentation and Reporting

Upon the completion of each project phase, Organization shall submit an invoice to County and Project Administrator that includes documentation for all expenses of project including labor, equipment, permits and any other administrative costs.

Organization shall provide a summary report that includes the following sections:

1. **Project Overview Narrative:** This section shall provide an overview update of the total project progress, including the number of unserved and underserved households or businesses eligible to be served, the number of households or businesses being served, and any unexpected challenges, delays, or other unanticipated impacts to the project.
2. **Project Phase Narrative:** This section shall provide a detailed narrative on the work completed for the invoiced project phase including detailed information for all expenses of project phase including labor, equipment, permits and any other administrative costs.
3. **Project Financial Reporting:** This section shall provide detailed financial documentation on the overall project and project phase that includes 1) Project Operating Statement, 2) Project Balance Sheet, and 3) Labor Expenses. Back-up documentation may include but is not limited to

project receipts, accounts payable and any other applicable documentation that may be requested by County and/or Project Administrator.

4. **Project Phase Invoice:** All invoices shall include a) breakdown of total project phase costs, b) total project phase equipment costs, c) total project phase labor costs, and d) total eligible labor costs being requested for reimbursement.

5. **Invoice Submittal:** All Invoices shall be submitted to County and Project Administrator on the same day. Project Administrator will review each invoice within 15 days and will notify Organization if any additional information is needed. Organization will work directly with project Administrator to answer any questions or provide any additional documentation requested by Project Administrator or County necessary for the approval of an invoice. Project Administrator will provide County with signed and dated invoice within 15 days of approval and shall cc: Organization. County shall process invoice within 15 days of receipt of approved invoice. County will provide grant reimbursement directly to Organization and will work directly with Organization on any administrative processes related to payment or processing of payment.
