**NEVADA COUNTY BOARD OF SUPERVISORS**  
**Board Agenda Memo**

**MEETING DATE:** November 16, 2021  
**TO:** Board of Supervisors  
**FROM:** Panos Kokkas, Director of Public Works  
**SUBJECT:** Resolution Authorizing Environmental Clearance for Guardrail Safety Audit Project

**RECOMMENDATION:** Approve the attached resolution.

**FUNDING:** The project is funded with Highway Safety Improvement Program (HSIP) funds, there is no impact to the General Fund. A budget amendment is not necessary.

**BACKGROUND:** The construction stage of the Guardrail Safety Audit Project will provide one new guardrail, and upgrade guardrail at various locations selected from those shown on Exhibit A.

The Public Works Department has reviewed the project for compliance with the California Environmental Quality Act (CEQA) and has identified the project as a Class 1 project which consists of the repair or minor alteration of existing structures with no, or negligible expansion of use, and the addition of safety devices for use in conjunction with existing facilities. The project is categorically exempt from the provisions of CEQA per Sections 15301(c) and 15301(f) of the CEQA Guidelines.

A Notice of Exemption has been prepared for the project and, upon approval by the Nevada County Board of Supervisors, will be filed with the Nevada County Clerk-Recorder's Office.
