Individual Board Member Item:

1. [SR 19-0737](#) Acceptance of the 2019 Digital Counties Survey (Up to 150,000 Population Category) First Place Award in association with the National Association of Counties (NACo). (Mr. Alan Cox, Executive Vice President, eRepublic)

Sponsor(s): Heidi Hall, District I

Approved.

ACTION TAKEN: Supervisor Hall reported that she attended the National Association of Counties (NACo) Annual Conference in Clark County, Nevada. As Nevada County's representative, she had the opportunity to attend the awards dinner for the Digital Counties Survey, and accept the 2019 Digital Counties Survey First Place Award for Populations up to 150,000 on behalf of Information and General Services. She reported that the Center for Digital Government and NACo honors County governments across the United States that exhibit best technology practices, including initiatives that streamline delivery of services, promote collaboration and integrate services, enhance cybersecurity, and contribute to disaster recovery efforts. Nevada County was recognized as one the top five counties across the Nation, with a population of 150,000 or less.

Supervisor Hall introduced Mr. Alan Cox, Publisher, eRepublic and the Center for Digital Government-Government Technology Magazine. Mr. Cox stressed the value of technology, and the importance of reaching people through the use of technology. He reported that Nevada County's Information Systems Department's accomplishments parallel the work of much larger Counties. He was aware how difficult it is for small governments to maintain a strong Information Technology Department and he congratulated the Board on the various ways Nevada County leverages technology, including Ready Nevada County fire prevention campaign; Geographic Information Systems mapping of green waste drop sites; a mobile tool to track tree mortality; evacuation road maps for each community; and the Citizen's Participation Suite 'Ask Nevada County'. Mr. Cox congratulated Mr. Stephen Monaghan, Chief Information Officer and his team for their work, and he presented the Digital Counties First Place Award to the Board members.

The Board members congratulated Mr. Monaghan and his staff for receiving the award.

MOTION: Motion made by Supervisor Hall, seconded by Supervisor Miller, to approve and authorize the Chair to accept the 2019 Digital Counties Survey First Place Award. On a voice vote the motion passed unanimously.

SCHEDULED ITEM: 11:00 A.M.**Director of Public Works: Trisha Tillotson**

- 42a. [SR 19-0713](#) Public hearing to consider adoption of the Hirschdale Road Bridges Project Initial Study/Mitigated Negative Declaration (IS/MND). The Nevada County Department of Public Works is proposing to replace the one-lane, five-span Truckee River Bridge on Hirschdale Road (Bridge No. 17C-0045) in Nevada County, California, with a one-lane, two-span bridge. The Project also includes rehabilitation and seismic retrofit of the one-lane Hirschdale Road UPRR Overhead (Bridge No. 17C-0046). The two bridges carry Hirschdale Road over the Truckee River and two UPRR tracks approximately 1.2 miles south of Interstate 80 in the unincorporated community of Hirschdale. A draft IS/MND was circulated for a 30-day public review period in accordance with the California Environmental Quality Act (CEQA), from April 26, 2019 to May 27, 2019, with a two-week extension to June 10, 2019. A final IS/MND with responses to comments has been prepared and is being recommended to the Board of Supervisors for adoption. The analysis within the IS/MND finds that all potential environmental effects are less than significant or can be mitigated to less than significant levels by incorporation of mitigation measures. (Dist. V)

ACTION TAKEN: Following a short break, Chairman Anderson called the meeting back into order.

Ms. Trisha Tillotson, Director of Public Works, introduced her team, Mr. Patrick Perkins, Principal Civil Engineer, and Ms. Jessica Hankins, Public Works Project Manager. Ms. Hankins provided a PowerPoint presentation and reviewed the history of the two bridges along Hirschdale Road. She reviewed the Project, which proposes to replace the Truckee River Bridge and rehabilitate the Union Pacific Railroad bridge (Hinton Road Overhead). Mr. Perkins reviewed the project design and construction phase. The Project is scheduled to begin in the summer of 2021 and there will be temporary short closures of access during construction.

Ms. Hankins reported that as a federally funded project, it is subject to both CEQA and NEPA compliance. She reported that environmental impacts have been mitigated. There are no identified operational impacts, and they do not anticipate that the bridges will create more visitors to the area as they are not expanding size of either bridge. Ms. Hankins reported on concerns raised by the neighbors, which have been addressed. She reported on the protection of existing vegetation, riparian and wetland habitat, and historic and cultural resources.

Chairman Anderson opened the public hearing for public comment.

The following members of the public provided comments: Ms. Jamie Cole-Rivara, District V resident; Mr. Ron Legg, District V resident; and Mr. Larry Andresen, District V resident. There being no further public comment, Chairman Anderson closed public comment.

Mr. Perkins responded to concerns raised by members of the public, including parking; potential fire hazard in the Hirschdale area; emergency evacuation; property access; temporary bridge access; snow removal; maintenance of the bridges; and parking on the east side of the area.

Board questioning ensued.

42b. [SR 19-0766](#) Resolution adopting the Initial Study/Mitigated Negative Declaration for the Hirschdale Road Bridges Project, and directing the Director of the Department of Public Works to file a Notice of Determination with the Nevada County Clerk-Recorder and the California State Clearinghouse within five days from the date of this action.

Adopted.

Enactment No: RES 19-466

MOTION: Motion made by Supervisor Miller, seconded by Supervisor Hoek, to adopt Resolution 19-466. On a roll call vote, the motion passed unanimously.
