**SCHEDULED ITEM: 11:00 A.M.****Director of Public Works: Trisha Tillotson**

22. [SR 20-2560](#) Public hearing to consider adoption of a resolution amending the assessments for the Ski Town II Permanent Road Division in compliance with Proposition 218. The Board of Supervisors shall consider all objections and protests, if any, to the proposed special tax and will tabulate the vote on the proposed special tax. A majority protest will exist if, upon the conclusion of the hearing, assessment ballots submitted in opposition to the proposed assessment amendment exceed assessment ballots submitted in favor of such proposed parcel charge. Only one ballot shall be counted for each parcel, even if there are co-owners. In addition to the ballots in favor of or in opposition to the proposed assessment, the Board of Supervisors will also consider any other protests to the proposed assessment at the public hearing. If a majority protest exists, the Board of Supervisors will not impose the amended parcel charges. If a simple majority of the ballots submitted approve the amended parcel charges, the Board of Supervisors may adopt a resolution imposing and levying the snow removal parcel charges starting in Fiscal Year 2020/21, to be enrolled on the assessment roll, and billed and collected along with County property taxes. (Dist. V)

Resolution amending parcel charges for road maintenance services within the existing Ski Town II Permanent Road Division, authorizing collection of parcel charge in the amount of \$437 per parcel per fiscal year beginning in Fiscal Year 2020/21 and continuing indefinitely for each fiscal year thereafter, with annual adjustments as set forth in the San Francisco Area Consumer Price Index beginning in Fiscal Year 2021/22.

ACTION TAKEN: Ms. Jessica Hankins, Public Works Project Manager, provided a presentation regarding proposed amendments to the Ski Town II Permanent Road Division (PRD) parcel charges. She provided a brief history of the PRD, and reviewed the current parcel changes and the reasons for the increases. Ms. Hankins reported that the cost of snow removal far exceeds the current amounts charged and added that Public Works staff met with property owners in 2019 who showed support for increasing snow removal charges in order to continue receiving the same level of service. The proposed increases will bring the cost to \$437 per year, per parcel receiving the benefits. Ms. Hankins reviewed the public ballot procedure, and Board questioning ensued.

Chair Hall opened the item for public comment. No public comment was received so Chair Hall closed the public comment portion of the public hearing.

Ms. Hankins listed what the questions were on the ballots and Ms. Julie Patterson Hunter, Clerk of the Board, reviewed how the ballots were tallied per parcel.

Supervisor Anderson provided comments regarding the current assessment for the Ski Town II PRD. He stressed that other County taxes should not subsidize the extra cost of snow removal in one particular neighborhood.

Ms. Patterson Hunter and Ms. Tine Mathiasen, Board Clerk II, opened the ballots. Ms. Patterson Hunter reported that two ballots were received undeliverable and there had been staff posted in the lobby this morning to receive any personally delivered ballots.

Ms. Mathiasen reported out for the vote count:

Question #1 regarding snow removal: 7 yes votes – 11 no votes

Question #2 regarding road maintenance CPI increase: 6 yes votes – 11 no votes

Chair Hall reported that the vote failed and asked how Public Works will proceed. Ms. Trisha Tillotson, Public Works Director, reported that Public Works staff will need to reconvene with the Ski Town II property owners regarding what services they will need in the future, and how the community wants to move forward. Currently, Nevada County has the funds to clear snow from the roads for a total of seven days per season.

It is a dangerous virus and the message is still to be careful; wash hands, stay home as much as possible, wear masks, continue to social distance.

Ms. Amy Irani, Environmental Health Director, reviewed the steps Environmental Health has taken to communicate with local restaurants to develop processes for opening safely.

In response to Board questioning, Dr. Cutler stated that they would like anyone with symptoms or who are at higher risk to get tested. He reported that the testing site in Grass Valley is by appointment only, adding that there is also a testing site in King's Beach.

Ms. Blake clarified that you do not have to have a doctor's order to make an appointment. To make an appointment, members of the public can visit [www.MyNevadaCounty.com/coronavirus](http://www.MyNevadaCounty.com/coronavirus) website, go to <https://lhi.care/covidtesting>, or call 1-888-634-1123. She asked that the public report the results to their primary doctor. Ms. Blake added that hospitals also have the ability to test, but stressed that it is important to call first.

Supervisor Anderson requested the PowerPoint Presentation be sent to the Supervisors so they can distribute it to their constituents.

Ms. Mali Dyck, Assistant County Executive Officer, and Chair of the COVID Recovery Advisory Committee, reported that the County is working with the cities and town chambers, and downtown associations, to assist local businesses with re-opening procedures and safety measures.
