2. [SR 21-0769](#) Acceptance of the Annual 2020/21 presentation from Alliance for Workforce Development, Inc. - Workforce Innovation and Opportunity Act Program and Services. (Amy Valezquez, Director of Business Services, AFWD)

Accepted.

ACTION TAKEN: Amy Valezquez, Director of Business Services, and Phelan Burns, Business Service Representative, Alliance for Workforce Development (AFWD), One-Stop Career Operators for Nevada County, provided an overview of their services provided during Fiscal Year 2020/21. The One-Stop model provides businesses and job seekers a single access point, ensuring that employers find the most qualified candidates and workers obtain sustainable, long-term employment. Director Valezquez reported that the COVID-19 pandemic affected the labor market, and in June 2020 the unemployment rate in Nevada County was 13%, while the State unemployment rate was 15.1%. Analysis shows that many workers chose to stay home due to health concerns, school and childcare restrictions, along with the relatively large weekly unemployment benefits. Improvements were seen in June 2021 as restrictions were loosened and the benefit program ended, with unemployment rates lowering to 6% in Nevada County and 7.7% throughout the State.

In 2020/21, 2,801 Nevada County customers were served, and services were provided to 1,851 Nevada County businesses. As Nevada County residents and businesses continue to navigate the COVID-19 pandemic, AFWD will develop dynamic solutions to workforce and employment issues, and will expand their efforts through: 1) virtual workshops and webinars; 2) effective online recruitment; 3) social media engagement; 4) assistance for job seekers and businesses through their website chat feature; and 5) partnerships with area organizations to collaborate and coordinate service delivery.

Director Valezquez concluded her presentation and Board questioning ensued.

Chair Miller provided an opportunity for public comment, and comments were received. Chair Miller closed public comment.

(Emergency Services) (Pulled by Supervisor Bullock) (Supervisor Bullock - No)
Enactment No: RES 21-452

ACTION TAKEN: Supervisor Bullock believed the County had suspended some of the contracts with Fire Safe Council of Nevada County and asked if the concerns that prompted that suspension have been resolved.

Stephen Monaghan, Chief Information Officer (CIO), responded that this contract with Fire Safe Council is generally brought forward to the Board in July at the beginning of the fiscal year, although this year it was delayed along with the Title III public hearing, while County staff worked with Fire Safe Council's staff and their Board to address items that were of concern. The Council hired a Controller with non-profit experience and an independent Auditor, and implemented new policies and procedures in response to the concerns, and County staff is comfortable at this point with their new processes. Additionally, with the new systems and processes that the County has put into place, they are ready to move forward with the contract.

Supervisor Bullock understood that the Fire Safe Council was an independent organization not sponsored by the County, and based on the Supervisor's interpretation of the contract it appears that there is little risk associated with the activities, since the contract is paid as the deliverables are met. CIO Monaghan clarified that the contract provides for a five-day cancellation for non-performance.

CIO Monaghan responded to Board questioning and discussion ensued.

Chair Miller provided an opportunity for public comment, and members of the public spoke. There being no further members of the public waiting to speak, Chair Miller closed public comment.

Board discussion continued.
