(4/5 affirmative vote required) (Pulled from consent by Supervisor Hall)
Enactment No: RES 22-226

ACTION TAKEN: In response to questions asked by a member of the public, Patrick Perkins, Principal Civil Engineer, clarified that the transfer of the contract is due to the sale of Riebes Auto Parts, LLC to Genuine Auto Parts Company, and the additional \$100,000 added to the contract is because the industry has seen a substantial increase in the cost of auto parts, and the additional amount is in response to that increase.

(Solid Waste) (Pulled from consent by Supervisor Bullock)
Enactment No: RES 22-227

ACTION TAKEN: Supervisor Bullock recognized that Solid Waste Parcel Charges are being reduced by 25%, and asked how the changes will affect the County's mandates resulting from implementation of Senate Bill (SB) 1383, and how the changes will impact the County's financial needs moving forward. David Garcia, Solid Waste Program Manager, responded that the full impact of SB1383, organic food waste recycling legislation, is still unknown. Staff is working with the state to develop programs, and are not fully aware of what the full costs will be to Nevada County. Beginning in 2012, Public Works has reevaluated solid waste parcel charges on an annual basis, and any reductions are brought forward to the Board for approval. This year, the McCourtney Road Transfer Station Improvement Project will require additional revenue but the project is also driven by implementation of SB 1383.

MOTION: Motion made by Supervisor Bullock, and seconded by Supervisor Scofield, to adopt Resolution 22-227. On a roll call vote, the motion passed unanimously.
